

Who is Eligible for the MaineCare EHR Incentive Program?

Types of Providers eligible for the MaineCare program	% of patients that need to be Medicaid*
<ul style="list-style-type: none"> Physicians Dentists Certified Nurse Midwives Physician Assistants (PA) Nurse Practitioners 	30%
Pediatricians**	At least 20%
Acute Care Hospitals	10%
Children's Hospitals	Do not have a percentage requirement

* Children's Health Insurance Program (CHIP) patients do not count toward the Medicaid patient volume criteria

** If a pediatrician chooses to participate in the incentive program with 20-30% patient volume, s/he receives 2/3 of the available incentive payment (\$42,500). If s/he meets the 30% patient volume threshold, s/he will receive the entire incentive payment amount (\$63,750).

Note: Hospital-based EPs are not eligible for incentive payments. An EP is considered hospital-based if 90% or more of his or her services are performed in a hospital inpatient (POS 21) or emergency room (POS 23) setting.
