Dear Primary Care Provider Site,

**Reporting Period:** 10/1/2010 - 9/30/2011

The Office of MaineCare Services is pleased to provide you with results from the Primary Care Provider Incentive Payment (PCPIP) period #45. PCPIP rewards Primary Care Providers (PCPs) who provide high quality healthcare to MaineCare members. To calculate the PCPIP figures for your practice, we used a panel size of 236 adults and 348 children and counted 2 PCPs as part of your practice group for the reporting period.

For the latest reporting period, your PCPIP payment amounts to \$19,531.73 and payment will be issued within the next couple of weeks. Refer to the Quality Indicators document for more information.

Please call PCP Network Services at (207) 287-3320 or 1-866-796-2463, extension 73320, if you have any questions or require additional information. Contact us if you have received this letter/payment in error.

Provider sites eligible to receive PCPIP for this reporting period must continue to meet minimum requirements to be eligible for future PCPIP. Refer to the PCPIP Overview document for eligibility requirements.
