Re: InSight Premier Health, LLC, Request for Certificate of Need to Purchase
CT Scanner

Dear Ms. Powell:

By letter dated December 28, 2007, InSight Premier Health, LLC, submitted a letter of intent to purchase and place into service a 16 slice CT scanner at our Marshwood facility. After much thought and consideration, we have decided to wait a year to see how the market reacts to units that will be placed into service in this area.

As such, we respectfully request that the CON Unit suspend review of this proposal for twelve (12) months in accordance with CON procedures manual Chapter 6, section 9. 10-144 C.M.R. Ch. 503, chapter 6, section 9.

Thank you for your attention to this matter and please call me should you have any questions.

Sincerely,
