Department of Health and Human Service
Office of Substance Abuse and Mental Health Services
Second Quarter State Fiscal Year 2016
Report on Compliance Plan Standards: Community
February 1, 2016

	Compliance Standard	Report/Update
I.1	Implementation of all the system development steps in October 2006 Plan	As of March 2010, all 119 original components of the system development portion of the Consent Decree Plan of October 2006 have been accomplished or deleted per amendment.
I.2	Certify that a system is in place for identifying unmet needs	See attached *Cover: Unmet Needs February 2016* And *Unmet Needs by CSN for FY16 Q1 found in Section 7.*
I.3	Certify that a system is in place for Community Service Networks (CSNs) and related mechanisms to improve continuity of care	The Department's certification of August 19, 2009 was approved on October 7, 2009.
I.4	Certify that a system is in place for Consumer councils	The Department's certification of December 2, 2009 was approved on December 22, 2009.
I.5	Certify that a system is in place for new vocational services	The Department certification of September 17, 2011 was approved November 21, 2011.
I.6	Certify that a system is in place for realignment of housing and support services	All components of the Consent Decree Plan of October 2006 related to the Realignment of Housing and Support Services were completed as of July 2009. Certification was submitted March 10, 2010. The Certification Request was withdrawn May 14, 2010.
I.7	Certify that a system is in place for a Quality Management system that includes specific components as listed on pages 5 and 6 of the plan	Department of Health and Human Services Office of Adult Mental Health Services Quality Management Plan/Community Based Services (April 2008) has been implemented; a copy of plan was submitted with the May 1, 2008 Quarterly Report. A new Draft Quality Improvement plan for 2015-2020 has been developed and has been distributed to the DRME, the Court Master, SAMHS staff and the Commissioner's Office. It is currently undergoing some revisions before it is released to the public.
II.1	Provide documentation that unmet needs data and information (data source list page 4 of compliance plan) is used in planning for resource development and preparing budget requests	Department submitted funding requests to meet all identified needs under the Consent Decree, both through the supplemental budget and the next biennial budget, with support of the Governor ; and the Legislature enacted a budget including all requests. These funds are now part of the base budget instead of having to be submitted as budget requests for additional grant funds.
II.2	Demonstrate reliability of unmet needs data based on evaluation	See *Cover: Unmet Needs and Quality Improvement Initiatives February 2016* and the *Performance and Quality Improvement Standards: February 2016* for quality improvement efforts taken to improve the reliability of the 'other' and CI unmet resource data. SAMHS continues to review the reliability of the unmet

		needs data to ensure proper identifying, recording and implementation of services for unmet needs. See Section 6.
II.3	Submission of budget proposals for adult mental health services given to Governor, with pertinent supporting documentation showing requests for funding to address unmet needs *(Amended language 9/29/09)*	The Director of SAMHS provides the Court Master with an updated projection of needs and associated costs as part of his ongoing updates regarding Consent Decree obligations.
II.4	Submission of the written presentation given to the legislative committees with jurisdiction over DHHS … which must include the budget requests that were made by the Department to satisfy its obligations under the Consent Decree Plan and that were not included in the Governor's proposed budget, an explanation of support and importance of the requests and expression of support … *(Amended language 9/29/09)*	See above.
II.5	Annual report of MaineCare Expenditures and grant funds expended broken down by service area	MaineCare and Grant Expenditure Report for FY 14 provided in the May 2015 report, section 15.
III.1	Demonstrate utilizing QM System	See attached *Cover: Unmet Needs February 2016* and the *Performance and Quality Improvement Standards: February 2016* for examples of the Department Utilizing the QM system.
III.1a	Document through quarterly or annual reports the data collected and activities to assure reliability (including ability of EIS to produce accurate data)	This quarterly report documents significant data collection and review activities of the SAMHS quality management system.
III.1b	Document how QM data used to develop policy and system improvements	See compliance standard II.4 above for examples of how quality management data was used to support budget requests for systems improvement. Unmet need reports have been used to identify where additional funds are needed for delivery of services.
IV.1	100% of agencies, based on contract and licensing reviews, have protocol/procedures in place for client notification of rights	Contract and licensing reviews are conducted as licenses expire. A report from DLRS is available; during the last quarter 27 of 27 agencies had protocol/procedures in place for client notification of rights.
IV.2	If results from the DIG Survey fall below levels established for Performance and Quality Improvement Standard 4.2, 90% of consumers report they were given information about their rights, the Department: (i) consults with the Consumer Council System of Maine (CCSM); (ii) takes corrective action a determined necessary by CCSM; and (iii) develops that corrective action in consultation with CCSM. *(Amended language 1/19/11)*	The percentage for standard 4.2 from the 2014 DIG Survey was 88.1%. These data are posted on the SAMHS website and provided to the Consumer Council of Maine. SAMHS distributed the survey in September 2015 and the recipients have until October 31, 2015 to return the survey. The survey is based on the model Perception of Care developed by the New York Office of Alcoholism and Substance Abuse. See longer explanation in Section 5.
IV.3	Grievance Tracking data shows response to 90% of Level II grievances within 5 days or extension.	Standard no longer reported per amendment dated May 8, 2014. Report available upon request.
