# Who We Serve DHHS At a Glance

## Data Sources

### OCFS

<sup>1</sup> Data includes individuals who were youths over the age of 18 on a voluntary agreement (V9).

<sup>2</sup> Family foster homes licensed by the State of Maine.

<sup>3</sup> The number of unique, unduplicated, clients authorized for any children's behavioral health service.

<sup>4</sup> Number of children receiving child care subsidy.

<sup>5</sup> This includes children exited to reunification (which includes custody returned to parent or relative), adopted and/or permanent guardianship finalized, and transitioning to adulthood.

### SAMHS

<sup>6</sup> Data reflects individuals admitted into SUD services who indicated, at time of admission, that they did not have insurance. WITS data includes admissions into all levels of care: Evaluation, Non-Intensive Outpatient, Intensive Outpatient, Detoxification, Shelter, Short-Term & Long-Term Residential Rehabilitation, Medication Assisted Treatment, and Opioid Replacement Therapy. Maine Substance Abuse Treatment Data System.

<sup>7</sup> Data reflects individuals aged 18+ who, at the time of submission, did not have insurance and were submitted under SAMHS grant funds or state dollars, individuals who were submitted into the system for MH services between 1/1/2017 and 12/31/2019, and who have no discharge record on file. Data may include individuals who received MaineCare during their treatment. The report is showing a list of members that were under Grant Funded Continued Stay Review and Grant Funded Review. Individuals pending MaineCare (ex. Courtesy Review) have been removed. These individuals would not have had insurance at the time of submission but with intent of receiving MaineCare.

### OMS

<sup>8</sup> Total enrollment in MaineCare includes members with coverage such as DEL only or MaineRx who are not included in the Case Load Report.

<sup>9</sup> Data includes children in traditional CHIP, CHIP CC, and CHIP ME.

<sup>10</sup> Data is for State Fiscal Year 2019 and represents members with Opioid Use Disorder including those who: 1. Incurred service claims for members with a principal diagnosis beginning with F11-Opioid-related disorders, or 2. Incurred pharmacy claims for buprenorphine combinations (mainly Suboxone) and Naltrexone. Methadone is included in the service claims.

<sup>11</sup> Expansion totals represents the number of individual enrolled in MaineCare under expansion. It is not the cumulative number of individuals who have gained coverage. For more information and the latest numbers visit <https://www.maine.gov/dhhs/expansion.shtml>.

### CDC

<sup>12</sup> Data from the Maine Center for Disease Control and Prevention.

<sup>13</sup> Ibid.

<sup>14</sup> Ibid.

### OFI

<sup>15</sup> Individuals enrolled in the Temporary Assistance for Needy Families program.

<sup>16</sup> Individuals enrolled in the Supplemental Nutrition Assistance Program.

<sup>17</sup> Child support collected by the Office for Family Independence.
