

(Heading – black bar w/ DMR Logo) AQUACULTURE LEASE RENEWAL

The Commissioner is considering an application to renew for ten years to August 27, 2026 a 15.15 - acre lease, DAM EL3, located east of Little Point, Damariscotta River, Newcastle, held by Mook Sea Farms, Inc. for the purposes of cultivating American/Eastern oysters, European flat oysters, surf/hen clams, northern quahogs/hard clams, soft clams, and bay scallops using bottom and suspended culture techniques.

The lessee would be bound by the terms and conditions of the existing lease. A public hearing is not required unless requested by five (5) or more interested persons. Written comments or requests for a hearing, including a statement of the reasons for the request, must be submitted on or before **August 17, 2016** to the address below.

Submit comments and hearing requests to:

Maine Department of Marine Resources
