The Department of Marine Resources is considering an application filed by the Darling Marine Center of the University of Maine for renewal of a scientific experimental aquaculture lease, DAM LW2, located in Lowe's Cove, Damariscotta River, South Bristol, Maine.

As required by 12 M.R.S. §6072(12), if you are receiving this notice by e-mail, copies of the application, site map, and public notice are attached. If you are receiving this notice by mail, copies of the notice and site map are enclosed. To view a copy of the application, please go to our website at [www.maine.gov/dmr/aquaculture/index.html](http://www.maine.gov/dmr/aquaculture/index.html) and follow the link "pending lease applications." For paper copies, please contact us as shown below.

Timothy Miller of Darling Marine Center has asked us to encourage you to contact him directly to discuss any questions or concerns you may have about the proposed future operation of this lease. His contact information is:

Timothy Miller, Laboratory Manager  
Darling Marine Center  
193 Clark's Cove Road  
Walpole, ME 04573  
E-Mail: [temller@maine.edu](mailto:temller@maine.edu) Phone: (207) 563-3146

As part of the renewal process, we offer the public a 30-day period within which you may submit written comments on this proposed renewal or request a public hearing. A hearing is not mandatory for lease renewals unless the Department receives twenty-five (25) or more written requests from interested persons before the end of the 30-day comment period.

Written comments or requests for a hearing regarding this application must be received by the Department no later than **August 16, 2016**. Send them to:

Maine Department of Marine Resources  
Attn: Aquaculture Administrator
