

**November 14, 2016 @ 6:00 PM  
Watts Hall, Thomaston Town Hall  
170 Main Street  
Thomaston, ME 04861**

The Department of Marine Resources will hold a public hearing on the application of The Maine Mariculture Company, LLC for suspended culture of American/Eastern oysters and sea scallops on 3.66 acres located off Pleasant Island (unorganized territory), Muscle Ridge Channel, Penobscot Bay, Knox County, Maine. Other compatible uses of the site would be permitted. At the hearing, the Department will take evidence relating to the criteria for granting a lease as listed in 12 M.R.S. §6072(7-A) and DMR Rule Chapter 2.37, including the effect of the proposed lease upon riparian owners' shore access, navigation, fishing, ecology, and other uses of the area.

**ALTERNATE HEARING DATE:** If the November 14, 2016 hearing is postponed or cannot be concluded by a reasonable hour, the hearing will be continued on November 15, 2016 at 6:00 pm at the same location. If the November 15, 2016 hearing is postponed or cannot be concluded by a reasonable hour, the hearing will be continued on November 16, 2016 at 6:00 pm at the same location. Notice of the meeting being postponed or continued to another day will be posted at [www.maine.gov/dmr/index.html](http://www.maine.gov/dmr/index.html) under "Meetings."

**INFORMATION ON DMR WEBSITE:** See the Department of Marine Resources' website, [www.maine.gov/dmr/aquaculture/index.html](http://www.maine.gov/dmr/aquaculture/index.html), for the lease application and DMR site report. Under "Public Participation in Aquaculture Leasing," the following are posted: the lease criteria, hearing procedures, and suggestions for effective public participation in the hearing. For paper copies, contact DMR at the address below. **PLEASE NOTE: The application was revised on October 14, 2016 and minor corrections were made to the site report. The revised versions are posted on the DMR website.**

**WRITTEN COMMENTS:** DMR will accept written comments by mail, e-mail, or fax regarding the effect of the proposed lease until **5:00 pm on November 10, 2016**, the last business day prior to the hearing.

**SPEAKING AT THE HEARING:** Any interested person may attend the hearing and ask questions of the parties or testify under oath about the effect of the proposed lease. You do not need to be an intervenor to submit comments or testimony.

**INTERVENING:** You may testify at the hearing without becoming an intervenor. If the proposed lease will substantially and directly affect you, you can apply for intervenor status. If DMR grants you intervenor status, you become a legal party and will receive all subsequent correspondence and can comment on the draft decision. Intervenor application forms are available at [www.maine.gov/dmr/aquaculture/index.html](http://www.maine.gov/dmr/aquaculture/index.html) under "Applications and Forms." Applications to intervene are due at DMR no later than **5:00 p.m. on October 31, 2016**. The Department will decide whether to grant intervenor applications no later than **November 3, 2016**.
