

Instructions for the DMR Landings Program Dealer Form

Form #2006.2B

*****Only report what was bought directly from harvesters (fishermen). If you only bought from licensed dealers, fill out a negative report for that month. If you are an aquaculture company with a dealer license, you are considered the harvester and dealer; in this case, report what you harvested and sold each month.*****

1. **Dealer Name/Phone:** Name (as it appears on your dealer license) and phone number for business.
2. **Port Landed:** Name of the town (port) in which the fish/shellfish were landed. For intertidal species (shellfish, worms, elvers, etc), this is the town in which the fish/shellfish were harvested.
3. **Harvester Name:** Full name or license number of the harvester (fisherman).
4. **Boat Name:** The full name or hull number of the harvester's boat (if applicable).
5. **Date:** Month, day and year the fish/shellfish were landed.
6. **Signature:** Signature of person filling out the report.
7. **Carred:** If species purchased was carred (or held over from several trips) then sold at one time, put a checkmark in the space provided.
8. **Species:** Use species code list (Table 1) for what was purchased. **All species purchased from harvesters must be reported.**
9. **Lbs:** How many pounds were purchased.
10. **Market/Grade:** Use market category list (Table 2) and grade code list (Table 3); this describes the product size and condition.
11. **Price/Lb:** Fill in the price/lb the dealer paid the harvester for the fish/shellfish.
12. **Amount:** Total paid for product.
13. **Use/Gear Type:** See use code list (Table 5) to describe what the product will be used for and the gear code list (Table 4) to describe what gear was used to harvest the fish/shellfish.
14. **Fuel/Bait/Supplies/Total:** For dealer use to record any deductions for harvester and to record total owed.
15. A cover sheet (located in the back of the receipt books) needs to be sent with the pink copies. Use cover sheet for negative reports and price info that gets sent to DMR. **Negative reports need to be filled out even if you are seasonal. We need to account for you for every month of the year.**
16. Mail pink copies and cover sheet to the DMR Landings Program, PO Box 8, West Boothbay Harbor, ME 04575
Report forms are due by the 10th of the following month.

White Copy is for the dealer; yellow copy is for the harvester; pink copy is for DMR. Notice that **Price/Lb, Amount** and **Fuel/Bait/Supplies/Total** are voided out on the pink copy.

 Just before you run out of forms, send a note with a landings report that says, "SEND MORE FORMS" and some will be mailed to you promptly.
