MONHEGAN LOBSTER CONSERVATION AREA REGISTRATION FORM

To become registered for the Monhegan Lobster Conservation Area, this form must be appropriately filled out and returned to the Department of Marine Resources at the above address between **June 26th and August 1st of each year.** According to regulation, Chapter 25.95 (F)(3), the Commissioner may not certify a person as eligible if the reporting requirement is not met.

I, ______________________________________________________________________________ was a Monhegan Island registrant and harvested lobster in the prior open season.

I, ______________________________________________________________________________ was a Monhegan Island registrant and did not harvest lobster in the prior open season due to a documented illness or medical condition.

I, ______________________________________________________________________________ hereby notify the Commissioner that I no longer wish to be registered to fish in the Monhegan Lobster Conservation Area.

I, ______________________________________________________________________________ document that I am a lapsed registrant and wish to have my name placed on the apprenticeship registry.

I, ______________________________________________________________________________ have completed the Monhegan Apprentice Program and upon notification by DMR that I am eligible, wish to become a Monhegan Island registrant.
