Re: Conservation Closure(s)/Opening(s)

Dear Ms. Beal:

This is to acknowledge receipt of the following request(s).

Effective	End Date	Shellfish Area	Status
05/07/2016	12/01/2016	Stover Cove- All flats south and west of a line starting at the red painted post on the northwest shore of Stover Cove running east to the end of the dock.	Closed
4/16/2016	12/01/2016	Back Bay- all flats north and east of a line beginning at a ledge with a red post at Longitude 67.820481 Latitude 44.548826 south of Wallace Cove on the south western shore of Ray' Point then north along the channel to the southern tip of the Little Island Longitude 67.828463 Latitude 44.553192 then along the western shoreline of the little island then running north to the western side to the brick pad by the cottage at Longitude 67.828662 Latitude 44.554415 then north past Back Bay ledge to a red painted post by the western side of the creek at Longitude 67.849025 Latitude 44.563076.	Closed

This office approves of the Town of Milbridge's conservation measures. We appreciate your efforts to keep us informed on your conservation activities.

If I can be of further assistance, please don't hesitate to contact me.

Sincerely,

Denis-Marc Nault
Shellfish Program Supervisor

cc: Heidi Leighton, Area Biologist
