Karly Perry
219 Fowlers Pt. Rd.
West Bath, ME 04530

Re: Reseeding

Dear Ms. Perry:

This is in response to your request to transplant seed clams as follows:

Start	Stop	Source	Destination	Supervisor	Approved
10/08/2016 7:30 AM	10/08/2016 1:30 PM	Back Cove (Gutway)	Back Cove (Kisses)	Warren Swanson	√

Note: Areas seeded with clams taken from Restricted (Closed) areas must be closed for a period of at least 60 days. Prohibited (Closed) areas must be closed for a period of at least 6 months. This applies to any transplant listed above where 'Approved' is NOT checked.

This letter will serve as permission (and must be on-site) for the above activities as provided by M.R.S.A. Section 6675, provided that you contact, on the morning of the proposed activities, the Marine Patrol Officer responsible for this area and/or Marine Patrol at the following location(s): Marine Patrol Division I - Boothbay (207) 633-9595

Sincerely,

Denis-Marc Nault
Shellfish Program Supervisor

CC: Lt. Daniel White, Marine Patrol
Peter Thayer, Area Biologist
