Shellfish Harvesting Area Classification – Notification of Changes

March 8, 2023

This notice is in effect until repealed or replaced.

Ladies and Gentlemen:

Under the authority of 12 M.R.S.A. § 6172; the Commissioner has made the following changes to Growing Area EP, Kelley Point (Jonesport) to Sea Wall Pt (Kennebec). This notice changes an area in the Chandler River (Jonesboro) from Approved to Restricted due to water quality no longer meeting approved standards. An interactive map that allows the user to zoom in to specific areas can be found on the ME DMR website: <https://www.maine.gov/dmr/fisheries/shellfish/shellfish-closures-and-aquaculture-leases-map>. All existing pollution and biotoxin closures remain in effect.

The boundary descriptions of the area are as follows (struck text is being removed and underlined text is being added):

Prohibited: Effective immediately, because of pollution, it shall be unlawful to dig, take or possess any clams, quahogs, oysters, mussels or whole or roe-on scallops taken from the shores, flats and waters of the following Prohibited areas:

- P1. Chandler River (Jonesboro): north of a line beginning at the end of the Evergreen Point Road municipal boat ramp running west to the opposite shore.

Restricted: Effective immediately, because of pollution, it shall be unlawful to dig, take or possess any clams, quahogs, oysters, mussels or whole or roe-on scallops (from aquaculture leases with an MOU only) from the shores, flats and waters of the following Restricted area without a special MDMR permit:

- R1. Chandler River (Jonesboro): south of a line beginning at the end of the Evergreen Point Road municipal boat ramp running west to the opposite shore; AND north and east of a line beginning at the northwest tip of Evergreen Point (Jonesboro) running northwest to the northeast tip of Kilton Point (Jonesboro).

Approved: All other shores, flats and waters not described in the above sections are Approved and it is lawful to dig, take or possess any clams, quahogs, oysters, mussels or whole or roe-on scallops (from aquaculture leases with an MOU only) when in the open status. For current status, please refer to the Biotoxin and Emergency Closure Notices on the DMR website: <https://www.maine.gov/dmr/fisheries/shellfish/closures>.

- A. Growing Area EP

March 8, 2023

If you have questions, please contact Department of Marine Resources, 194 McKown Point Road, West Boothbay Harbor, Maine 04575-0008, Tel: (207) 633-9500 Email: DMRPublicHealthDiv@maine.gov.
