Re: Conservation Closure(s)/Opening(s)

Dear Ms. Lenfestey:

This is to acknowledge receipt of the following request(s). **New areas are in BOLD.**

Effective	End	Shellfish Area	Status
1/1/2023	7/1/2023	<u>Southern Three Brooks</u> - From the <u>northern</u> most point of Long Point to the northern most point of Hemlock Island to Scott Perry's ramp and east to the southeastern most point of Green Point – all the shores and flats southeast of this line.	Closed
7/1/2023	12/31/2023	<b><u>Bray Ledge Area:</u> From the Northwestern most point of Upper Wass Cove the line follows the main drain from shore to the middle of the mussel bed then turns East to the middle of the Pleasant River. The line then follows the middle of the Pleasant River North to a point perpendicular to the Northeastern most point of Upper Wass Cove. The line then turns West to said point.</b>	Closed
7/1/2023	12/31/2023	<b><u>Northern Pleasant River:</u> Starting at the Southeastern most point of Green Point a line goes West towards Scott Perry's ramp in Harrington to the town line in the Pleasant River. This line then follows the middle of the Pleasant River North until it gets to a point perpendicular to the first point above Knowles Brook. The line then turns east to said point.</b>	Closed
7/1/2022	12/31/2023	<u>Seal Cove:</u> From the Southwestern most point of Seavey Point a line extends to the Western most point of Gibbs island. Then from the Southwestern most point of Gibbs Island to an unnamed ledge South of Gibbs island then turning East and ending at the Northwestern most point of Tumbledown Dick Cove.	Closed
7/1/2022	12/31/2023	<u>Southern West River:</u> A line starting on the Southern side of the West River Landing extends East out to the center of the West River. The line then goes South following the middle of the West River to a point perpendicular to the Southwestern most point of Bickford Point. The line then goes to said point.	Closed

This office approves of the Town of Addison's conservation measures. We appreciate your efforts to keep us informed on your conservation activities.

If I can be of further assistance, please don't hesitate to contact me.

Sincerely,
