

TEACHER ADVISORY COMMITTEE "CHARGE"

The Teacher Advisory Group will provide feedback and develop recommendations and action strategies that will provide for a smooth transition from an industrial-age model to a customized learning model of education.

Roles Of The Teacher Advisory Team Are To:

- 1. Advise Central Office Administrators on matters related to the RSU 18 educational program.**
- 2. Use feedback, data, & research-based information in decision-making.**
- 3. Assure effective representation of staff, & seek involvement of all stakeholders to maintain open communication throughout the transition period.**
- 4. Create a series of action steps that will build a communication plan resulting in effective collaboration between all RSU 18 staff.**
- 5. Provide feedback and recommendations for continuous improvement.**
- 6. Continuously monitor and evaluate progress of the transition and refocus as needed.**
