MAINE SAT® SCHOOL DAY

Student Answer Sheet Instructions

This guide will help you fill out your SAT® School Day answer sheet—including where to send your four free score reports. Be sure to record your answers to the questions on the answer sheet. Answers that are marked in this booklet will not be counted.

If your school has placed a personalized label on your answer sheet, some of your information may have already been provided. You may not need to answer every question. Your instructor will read aloud and direct you to fill out the appropriate questions.

Confidentiality

Your high school, school district, and state may receive your responses to some of the questions. Institutions that receive your SAT information are required to keep it confidential and to follow College Board guidelines for using information. See the SAT School Day Student Guide for more details, including how to opt out of Student Search Service® if you change your mind.

How Answering Questions 16, 19–20, and 23–39 Helps You

Opting in to Student Search Service (marking “Yes” in Field 16) and answering Questions 19–20 and 23–39 helps you connect with educational and financial aid opportunities. You don’t have to respond, but we recommend that you answer all these questions, because your answers:

- Guide your counselors and college admission officers in helping you plan your future.
- Help College Board ensure that the SAT is fair and accurate for all students.
- Provide information to colleges and universities to create a picture of the academic preparation, extra- and cocurricular involvement, and post-high-school plans of your graduating class.

16. **Student Search Service**

   Student Search Service is a free, voluntary program that connects students with information about educational and financial aid opportunities from eligible colleges, universities, scholarships, and other educational programs. When you opt in to Student Search Service, the information that you have provided on your answer sheet and score ranges from your College Board exams may be shared with colleges, universities, and scholarships that are interested in students like you. Also, if you opt in, your email address will be included in your College Board student record. College Board does not share your telephone number or actual test score as part of this service. If you choose to opt in to Student Search Service, please mark “Yes” on your answer sheet. By marking “Yes,” you understand that your responses on the answer sheet to Questions 17, 19, 23, 25–34, and 38 will be kept by College Board and, except for your response to Question 17, may be shared with eligible colleges, universities, scholarships, and other educational programs that participate in Student Search Service. Also, if you prepare a college list on BigFuture™, we may share that list, or part of the list. Would you like us to supply your information for these purposes? Fill in “Yes” if you wish to share your information through Student Search Service. Otherwise, fill in “No.” If you leave Question 16 blank and have previously opted to participate in Student Search Service, we will continue providing your information until you opt out.

17. **Email Address**

   Email address is optional. If you decide to provide an email address, fill in the bubble to indicate whether the email address is yours or a parent’s/guardian’s. If provided, the email address will be used to deliver reminders about test programs, test-preparation strategies, and score availability. If you opted in to Student Search Service, your email address will be added to your College Board student record. If you supply a parent’s or guardian’s email, it will only be used by College Board to provide updates on test programs.

18. **Mobile Number**

   This field is optional. If provided, you agree to receive text messages from College Board about test programs for which you are registered, about participating in research surveys, and/or about receiving free college planning services.
