Chapter 10: SLOT MACHINE MAINTENANCE

- §1. No slot machine may be placed in operation in Maine until a licensed Slot Machine Operator or Casino Operator has provided its personnel with sufficient and appropriate training in the service and repair of each of its approved slot machine models.
- §2. A Machine Entry Authorization Log (MEAL) shall be kept within the main cabinet access area in each slot machine. Every person who gains entry into a ~~logic board area of a slot machine~~ shall complete a MEAL log in accordance with the requirements of Chapter 5 appendix A section III-B-1(C) for maintenance or repair shall sign the log, indicate the time and date of entry, indicate all meter readings, and list the areas inspected or repaired. Machine Entry Authorization Log forms shall be retained by slot machine operators for a period of three years from the date of the last entry. The Machine Entry Authorization Logs shall be made available upon request for inspection by the Board or Department staff. The slot machine or casino operator shall provide suitable M.E.A.L books as approved by the board or its designee.
