SUBJECT: Year-End Report of Private Schools (EF-M-240) for Year Ending June 30, 2016 – ***Due October 15, 2016*** (for 2016-17 Approval to Receive Public Tuition Funds from Maine School Administrative Units)

The Year-End Report of Private Schools (EF-M-240) is required ***only if*** your school will be accepting students from the State of Maine at ***public*** expense during the 2016-2017 school year. This report does not apply to Special Purpose Private Schools (special education). Special Purpose Private Schools should contact the Department of Education's Special Services Team regarding reporting requirements at (207) 624-6650.

The Year-End Report of Private Schools (EF-M-240) report must be received before we can add your school to the list of private schools in and outside of the State of Maine which are eligible to receive ***public tuition funds*** from Maine municipalities and school districts. The Year-End Report of Private Schools (EF-M-240) is used to verify the status of your school (i.e. sectarian or non-sectarian) and to compute the maximum annual tuition rate that can legally be paid by Maine school administrative units.

The Year-End Report of Private Schools (EF-M-240) for Year Ending June 30, 2016 report is available for download from the Department of Education's website:
