Notes:

- (a) For pledges made in currencies other than US dollars, the pledge amount in USD comprises the actual USD value realised from any contributions made plus the USD equivalent of the remainder of the pledge calculated using exchange rates posted on OANDA.com, as of: 31-Jul-09  
(b) Where pledges have been made that are not specific to individual years, the amount shown as pledged for a period is the sum of contributions received in that period. The remainder is shown under "Pledge Period to be Confirmed".  
(c) Contributions held in the currency in which received are stated at their US dollar equivalent on the date of receipt
- Amounts "Not Yet Paid" will not equal "Amount Pledged" less "Amount Contributed", in instances where a donor has made contributions in excess of pledges for some years while not contributing the full pledge for other years
- Contributions in process are amounts expected to be received within one month, and for which a contribution agreement has been signed or which have been deposited in a holding account with the Trustee pending signature of a contribution agreement
- The United States contribution to the Global Fund is subject to certain U.S. legislative restrictions, including that, during 2004-2008, no U.S. government contribution may cause the total amount of U.S. government funds contributed to exceed 33% of total contributions. Furthermore, at the donor's discretion, up to 5 percent of this funding may be applied in the form of direct bilateral technical assistance to activities related to Global Fund grant implementation, and the contribution to the Global Fund reduced correspondingly.
- Countries that have not made a contribution for years after 2004
- All (PRODUCT)RED corporate partners have made long-term commitments to supporting the Global Fund; the listed figure includes actual contributions made by several partners to date
- Other Donors: includes contributions received from the American Express Membership Rewards<sup>®</sup> program
