Hi Denise,

Arthur asked me to contact you about my comments regarding Ch 33---at this point, I'm most hopeful that a monitoring system can be put into place to assure that districts are following the regulations, and that parents are being notified, all consistent with the law.

I've been on the road and was in DC for meetings over the weekend, but wanted to get you something quickly in response to Arthur's request. Hope this is helpful.

Best,

Debbie
