PENALTY MATRIX FOR LATE CANDIDATE REPORT FILINGS

**BASIS FOR PENALTIES
21-A M.R.S.A. Section 1020-A(4)**

The penalty for late filing of a required report is a percentage of the total contributions or expenditures for the filing period, whichever is greater, multiplied by the number of calendar days the report is filed late, as follows:

For the first violation, 1%

For the second violation, 3%

For the third and each subsequent violation, 5%

A penalty begins to accrue on the day after the report is due.

Example: The treasurer files the candidate's report two (2) days late. The candidate has not had any previous late violations this biennium. The candidate reports a total of \$2,500 in contributions and \$1,500 in expenditures for the filing period. The penalty is calculated as follows:

\$2,500 Greater amount of the total contributions received or expenditures made during the filing period

X .01 Percent prescribed for first violation

\$25.00 One percent of total contributions

X 2 Number of calendar days late

\$50.00 Total penalty

Your penalty is calculated as follows:

Receipts/Expenditures: \$ _____

Percent prescribed: X _____

\$ _____

Number of days late: X _____

Total penalty accrued: \$ _____

Any penalty of less than \$10 is waived.

Violations accumulate on reports with filing deadlines in a 2-year period that begins on January 1st of each even-numbered year. Waiver of a penalty does not nullify the finding of a violation.

A required report that is sent by certified or registered United States mail and postmarked at least 2 days before the deadline is not subject to penalty.
