Subject: Thank You

To whom it may concern,

I commend Vincent Dinan and his team at the Maine Ethics Commission for conducting a thorough and complete audit. As a strong supporter of Maine's Clean Elections System, I appreciate the work and dedication to protecting the public funds afforded to candidates.

As I have expressed throughout this process, I accept full responsibility for the commingling. I will accept, without appeal or further comment, the recommendation of the \$100 penalty. I want to underscore for the Commissioners that no MCEA funds were misspent and that I did not use any personal funds to advance my campaign.

Please express my sincere apologies for the oversight and my embarrassment that there was even an appearance of a violation. There was never an intent to misuse any funds but I graciously respect the opinions of the Ethics Commission Staff and the Commissioners. Protecting the integrity of the Clean Elections System is paramount, and I appreciate the work that you all do.

Sincerely,

Sean
