

2022-23 MAINE MIGRATORY GAME BIRD QUICK REFERENCE GUIDE

Please reference the *Maine 2022-23 Summary of Hunting Laws* for more details, available at mefishwildlife.com/huntinglaws.

MIGRATORY GAME BIRDS

For the purpose of this section, migratory game birds include and are limited to species in the following families: 1. Anatidae (wild ducks, geese, and brant); 2. Rallidae (rails, coots, moorhens and gallinules); and 3. Scolopacidae (woodcock and snipe). Except as expressly provided in the regulations, it is unlawful to hunt, capture, kill, take, possess, transport, buy or sell any migratory game bird or part thereof.

LICENSES

To hunt in Maine, you need to have one of the 30+ hunting licenses available. These vary by category of game, equipment used, resident status, age, and other factors.

Go to mefishwildlife.com to see which license type is right for you, and to read what the license allows, when it allows it, and what permits are included or need to be purchased separately.

STAMPS

Waterfowl hunters age 16 and up must purchase state waterfowl permits and federal duck stamps. 16-year-olds still hunting on a junior license may hunt on a youth day, but need a Federal duck stamp.

Migratory waterfowl permits are not required to hunt Crow, Woodcock, Common Snipe, Sora & Virginia Rails, or Gallinules. A pheasant permit is required to hunt pheasant in York and Cumberland counties.

OPERATION GAME THIEF

Call 1-800-ALERT US (253-7887) to report game law violations. Caller identification protected. Rewards paid. Poachers are thieves — help us stop them.

SUNDAY HUNTING IS ILLEGAL IN MAINE

LEGAL HUNTING HOURS FOR MIGRATORY BIRDS:

1/2 hour before sunrise to sunset.

BAND RECOVERY REPORTS

Anyone finding a band or recovering one while hunting should log onto:

reportband.gov

Results will provide better estimates of survival and harvest rates and will reduce high costs associated with banding studies.

HARVEST INFORMATION PROGRAM

If you plan to hunt woodcock, ducks, geese, snipe, rails, or coots, you are required to indicate on your license your intention of doing so at the time you purchase your license. The information will be used by the U.S. Fish & Wildlife Service in the Migratory Bird Harvest Information Program (H.I.P.).

ETHICS ARE WHAT WE DO WHEN NO ONE ELSE IS WATCHING

In the Maine woods, rarely will anyone be there to notice your ethical behavior, but the landowner and the hunters that follow will greatly appreciate it. Ethical behavior is vital to Maine's sporting future, and it encourages landowners to keep their property open for all to enjoy. So remember: always respect the rights of landowners, and please *ask first*.

OUTDOOR PARTNERS LANDOWNER RELATIONS PROGRAM

For \$15.00, you can become an Outdoor Partner and support the MDIFW landowner relations program, which works to preserve and enhance access, helps landowners with access issues, and promotes responsible, ethical sporting behavior.

Members also receive discounts from retail partners, discounted subscriptions, and day passes, as well as an Outdoor Partners decal and entry into a drawing to win one of six \$500 gift cards. You can join at any time – either as an add-on to your license purchase or at mefishwildlife.com.
