

## FALL 2018 Trapper Harvest Report

Trapping License #: \_\_\_\_\_ Date: \_\_\_\_\_

Check this box if you did not trap this trapping season.

Please fill in for each town (or WMD):

(1) The average number of traps you set for each species you targeted; (2) The number of days you trapped for each species; (3) The number of each species you caught that you targeted; and (4) The number of each species you caught incidentally. If you trapped with a partner, include only the animals that **you** tagged.
