

LIST OF TABLES

		<u>Chapter - Page</u>
Table 1	Locations of the 8 Required Elements in Maine's CWCS.	1 - 5
Table 2	Birds of Maine – Species List.	3 - 3
Table 3	Herpetofauna of Maine – Species List.	3 - 27
Table 4	Invertebrates of Maine – Species List.	3 - 32
Table 5	Inland Fish of Maine – Species List.	3 - 54
Table 6	Mammals of Maine – Species List.	3 - 58
Table 7	Fishes, Marine Mammals, and Marine Reptiles of the Gulf of Maine – Species List.	3 - 68
Table 8	Criteria for Species Prioritization.	3 - 79
Table 9	Ecosystems and Primary Habitats.	3 - 80
Table 10	Prioritization of Bird Species.	3 - 82
Table 11	Prioritization of Herpetofauna Species.	3 - 90
Table 12	Prioritization of Invertebrate Species.	3 - 92
Table 13	Prioritization of Inland Fish Species.	3 - 102
Table 14	Prioritization of Mammal Species.	3 - 104
Table 15	Prioritization of Diadromous Fish, Listed Marine Mammals and Listed Marine Turtles.	3 - 106
Table 16	SGCN Prioritization Scoring Chart.	3 - 108
Table 17	Funding Priority Chart.	3 - 109
Table 18	Birds of Greatest Conservation Need.	3 - 110
Table 19	Herpetofauna of Greatest Conservation Need.	3 - 115
Table 20	Invertebrates of Greatest Conservation Need.	3 - 116
Table 21	Inland Fish of Greatest Conservation Need.	3 - 122

LIST OF TABLES

		<u>Chapter - Page</u>
Table 22	Mammals of Greatest Conservation Need.	3 - 123
Table 23	Marine Species of Greatest Conservation Need.	3 - 124
Table 24	Numbers of Maine Wildlife and SGCN.	3 - 125
Table 25	Conservation Lands in Maine.	4 - 9
Table 26	Descriptions of 21 Key Habitats in Maine's CWCS.	4 - 24
Table 27	CWCS Key Habitats Crosswalked with NatureServe's Ecological Systems and MNAP's Ecosystems and Natural Communities.	4 - 26
Table 28	Distribution of SGCN Taxa in 21 Key Habitats in Maine.	4 - 31
Table 29	Distribution of SGCN in 21 Key Habitats in Maine.	4 - 33
Table 30	Goals, Objectives, Threats, and Strategies for Priority Birds by Habitat.	5 - 3
Table 31	Goals, Objectives, Threats, and Strategies for Priority Herpetofauna by Habitat.	5 - 107
Table 32	Goals, Objectives, Threats, and Strategies for Priority Invertebrates by Habitat.	5 - 125
Table 33	Goals, Objectives, Threats, and Strategies for Inland Fish in Maine.	5 - 202
Table 34	Goals, Objectives, Threats, and Strategies for Priority Mammals by Habitat.	5 - 222
Table 35	Goals, Objectives, Threats, and Strategies for Priority Diadromous Fish in Maine.	5 - 234
Table 36	Summary of Threats and Potential Threats to 21 Key Habitats in Maine.	5 - 242
Table 37	General Conservation Strategies for Maine's CWCS Organized within Five Program Components.	6 - 3

LIST OF TABLES

		<u>Chapter - Page</u>
Table 38	Two Highest Program Components (Super Strategies) Needed by Maine's SGCN.	6 - 5
Table 39	Number of SGCN within Priority Program Components (Super Strategies).	6 - 12
Table 40	Summary of Species Assessments and Goals and Objectives.	6 - 15
Table 41	Status of Wildlife Management Systems.	6 - 25
Table 42	Nexus of <i>Beginning with Habitat</i> Layers with Maine's CWCS Key Habitats.	6 - 30
Table 43	Current, Ongoing Bird Monitoring Programs in Maine.	7 - 10
Table 44	Status of Population Monitoring of Maine' SGCN.	7 - 16
Table 45	Monitoring Landscape Habitat Conservation Actions in Maine.	7 - 39
Table 46	Public Working Groups Convened by MDIFW, 1990-2004.	8 - 5
Table 47	Summary of Historic and Current Coordination and Collaboration with Federal Agencies in Maine.	9 - 3
Table 48	Summary of Historic and Current Coordination and Collaboration with State Agencies in Maine.	9 - 5
Table 49	Summary of Historic and Current Coordination and Collaboration with Local Agencies in Maine.	9 - 6
Table 50	Summary of Historic and Current Coordination and Collaboration with Native American Tribes in Maine.	9 - 7
Table 51	Summary of Historic and Current Coordination and Collaboration with Nongovernmental Organizations in Maine.	9 - 8
Table 52	Frequency of Collaborative Interaction among Five CWCS Program Components.	9 - 9
Table 53	Frequency of Collaborative Interactions among Primary Constituents.	9 - 10
