ORDERED,

That the State Controller increase allotment in account 014-05A-Z134-01, Maine Commission for Community Service by \$62,493 in the All Other line category for the purpose of supporting service-learning and assessment of civic health; and,

Be it further ordered,
that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2015", for which this shall be our sufficient warrant.

Statement of Fact

The Maine Commission for Community Service (MCCS) enters into partnerships with private sector entities in order to fund required activities at a larger scale than federal resources permit and to use the private funds as match for federal funding. MCCS has developed two new partnerships to support service-learning and assessment of civic health. Failure to approve this financial order will result in the inability of MCCS to fund required activities.
