This financial order establishes this position to develop, coordinate, and administer the Title IVB 21st Century Community Learning Centers (21st CCLC) grant and the Title I School Improvement Grants (SIG). It will manage these grants based on federal regulations and guidelines; evaluate and approve plans and performance reports related to the work of school administrative units, community-based organizations, and faith-based organizations receiving these grant funds; administer the 21st CCLC and SIG competitive grants process and grant awards; serve on the Department's No Child Left Behind (NCLB) Team; and coordinate and interact with other titles included in NCLB, other Department's educational initiatives, and external educational organizations. These grants are currently being managed through a contract ending in September resulting in All Other funds no longer needed for this purpose and can be transferred to Personal Services to fund the position. The USDOE has indicated that these grants should be managed by state staff. The position will begin on September 29, 2014 and end on June 6, 2015. A budget initiative will be included in the biennial budget to continue it.
