

SECTION IV: BOARD POLICY

General

**Review of Discipline Reports
from Other States**

Policy: It is the policy of the Board of Licensure in Medicine that reviews of reports of discipline taken in other states will be handled in the following ways:

1. The first report of discipline in another state will be presented to the Board for review.
2. Subsequent reports of the same discipline from any other state for the same single action will not be presented to the Board.
3. Reports of discipline taken in another state, which are not subject to discipline under Maine statutes will not be seen by the Board (i.e. Florida disciplines for not completing certain CME).

EFFECTIVE DATE: October 13, 2009

REVISION DATE:

Process Explanation: Board staff will place a note in the licensee's computer file stating subsequent actions for the same discipline have been taken by another state.
