Subject: **Rubber Tired Excavator
Amendment No. 1**

Dear Sir/Ms:

Please make the following changes to the Bid Documents:

In "Special Provision, Rubber Tired Excavator" on page one of two, in the second paragraph that begins "The equipment specifications..." within the first statement that begins: "In Region 4 the machines will..." **CHANGE** the stated weight of 36,000 pounds to 40,000 pounds." Make this change in pen and ink.

In "Special Provision, Rubber Tired Excavator" on page one of two in the last paragraph that begins "Northern Region #5..." within the statement "(1) One excavator with digging bucket, 60" tilt swivel clean up bucket, and Thumb." **DELETE** the statement "and Thumb." Make this change in pen and ink.

The following questions have been received.

Question: Would it be acceptable to bid a 39,000 pound excavator for all wheeled excavators required under this contract?

Response: Yes.

Question: Will the state accept a bid for the 38,000 pound excavator equipped without a thumb?

Response: Yes.

Consider these changes and information prior to submitting your bid on April 4, 2007.

Sincerely,

Scott Bickford
Contracts & Specifications Engineer
