August 21, 2007  
Subject: **Woodville-Chester**  
Project No. STP-1278(100)X  
Pin No. 012781.00  
**Amendment No. 1**

Dear Sir/Ms:

Please make the following change to the Bid Documents:

In the Bid Book, within the: "Schedule of Items" dated 070730 seven pages total, on page three of seven (page five in the book) DELETE in its entirety the following Item: "603.385 – 71 Inch Span 47 Inch Rise Pipe Arch Metal Culvert Connector – EA. – 1.000" and REPLACE with the following Item: "509.131 – Steel Structural Plate Arch Modification – LS – 1". Make this change in pen and ink.

The following question has been received.

**Question:** The drawing for the Pipe Arch shows an 8'-5" rise and a 22' span, but the Schedule of Items notes a 71" span and a 47" rise. Which dimensions are correct?

**Response:** See the change earlier in this amendment.

Consider this change prior to submitting your bid on August 22, 2007.

Sincerely,

Scott Bickford  
Contracts & Specifications Engineer
