Amendment No. 1

Dear Sir/Ms:

The following question has been received:

Question: The City of Portland has approved the use of both Traficon and Autoscope Video detection, and has both operating in the city. There shouldn't be any reason why this is a closed spec., is this bid open to Autoscope as well?

Response: The City has specified Traficon equipment for this project. Autoscope will not be accepted.

Consider this information prior to submitting your bid on May 6, 2009.

Sincerely,

Scott Bickford
