Dear Sir/Ms:

The following question has been received:

**Question:** On page 1 of 16 of Section 645, a note states that "Spread footing designs for the existing sign structures may be obtained from the Department upon written request." Is this information available pre-bid?

**Response:** Foundation substitutions will be approved by the Resident. Preliminary spread footing designs will be made available to the successful bidder if they desire to explore this possibility.

Consider this information prior to submitting your bid on May 27, 2009.

Sincerely,

Scott Bickford
