DAVID A. COLE
COMMISSIONER

February 13, 2009
Subject: Landscaping Services, Statewide
PIN: N/A
Location: Regions 1 - 5
Bid Amendment No. 1

Dear Sir/Ms.:

The following questions have been received:

Question: Is the unit and extended item prices for all the materials in all the regions supposed to account for mobilization, materials and labor to install or just mobilization and material? As it calls out for the cost of each granite cobblestone "installed" but does not ask for "installed" on the remaining items.

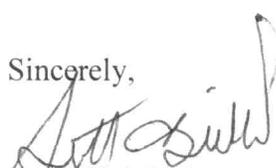

Response: Per General Outline of Work..."The work shall include but is not limited to installation of plant material(s), and miscellaneous"refers to cost of plant materials per spec per ASNS Standards, mobilization, any incidental materials per specifications, including initial water and watering-in, soil amendments, fertilizer, mulch, labor, etc. according to Specifications.

Question: Exactly how much was spent on each task order item in each of the 5 Regions in the calendar year of 2008?

Response: The numbers you request are not available, however this contract is generated to give us a means to order usually small needs not filled in routine contract work. The totals purchased in these fiscally conservative times are probably considerably less than what is on the lists for all regions.

Consider this information prior to submitting your bid on February 18, 2009.

Sincerely,

Scott Bickford
Contracts & Specifications Engineer
