Subject: **Rubber Tired Excavators
Amendment No. 1**

Dear Sir/Ms:

Please make the following change to the Bid Document:

In "Special Provision, Rubber Tired Excavators", dated March 21, 2008, Section titled "The equipment specifications and terms are as follows" DELETE "the following words "The excavator will be no older than one year" and REPLACE them with the words "the excavator will be no older than three years nor have more than 3000 hours". Make this change in pen and ink.

The following question has been received.

Question: How strict are they going to be on the "one year old" line of these specs?

Response: See revisions to "Special Provision, Rubber Tired Excavators" provided earlier in this amendment.

Consider this change and information prior to submitting your bid on **April 16, 2008**.

Sincerely,

A handwritten signature in black ink that reads "Scott Bickford for".
