AMENDED 9/1/2009

MAINE DEPARTMENT OF TRANSPORTATION
Description of State Maintenance Boundary Lines
established for delimiting the urban area of
Lisbon, Androscoggin County, Maine

Beginning at a point on Ridge Road (State Route 9) at the intersection of Wing Street; thence, northeasterly to Main Street (State Route 125) at Bridge #3954 over Dearing Brook; thence, southerly to a point on Edgecomb Road 0.29 miles east of Summer Street; thence due south to the Little River (Lisbon-Topsham and Androscoggin-Sagadahoc town and county line); thence, southerly via said river and town and county line, crossing Lisbon Road (State Route 196), to the confluence of the Little and Androscoggin Rivers (convergence of the Lisbon, Topsham, and Durham town lines); thence, northwesterly via the Androscoggin River (Lisbon-Durham town line), crossing Canal Street (State Route 9), to the confluence of said river and Sabattus River; thence, northwesterly to the intersection of Lisbon Road (State Route 196) and River Road;

Thence, northwesterly via the southerly right-of-way of Lisbon Road (State Route 196) to the junction of Lisbon Road and Patterson Street; thence, westerly crossing the Maine Central Railroad to Ferry Road 0.14 mile south of Marshall Street, point of reference utility pole #42/8/42; thence, northwesterly to Pine Woods Road 0.12 mile west of Winter Street, point of reference utility pole #17/17; thence, northeasterly crossing the Maine Central Railroad to the junction of Lisbon Road (State Route 196) and Moody Road; thence, northwesterly via the southerly right-of-way of Lisbon Road to the Lisbon-Lewiston town line; thence, southeasterly via the northerly right-of-way of Lisbon Road to the junction of Lisbon Road and Moody Road;

Thence, southeasterly crossing the Sabattus River to Webster Road 0.19 mile north of Saint Ann Street, point of reference utility pole #11/13 east side of street; thence, southeasterly to Upland Road at Barker Brook; thence, southeasterly via Barker Brook and the Sabattus River to Mill Street; thence, southeasterly to Ridge Road (State Route 9) at the intersection of Wing Street, the point of beginning.

NOTE: Bridges, if any, bisected by the State Maintenance boundary are in the rural area.
