Carter Friend, Executive Director
York County Community Action Corporation
6 Spruce Street
Sanford, ME 04073

Dear Mr. Friend,

On behalf of BSOOB Transit, I am pleased to voice my support for York County Community Action Corporation's proposal for funding from the Federal Transit Administration's ICAM Program to support the Mobility Management Hub's for Maine Project. This project will provide critical funding to York County, Maine to design a coordinated Mobility strategy that is tailored to Maine's unique needs and policy landscape.

BSOOB Transit is a fixed route transit provider in many of the urban areas of York County. We attempt to provide transportation options to as many community members as possible. Given the vast geographical expanse, and the diverse mobility needs with the region, further investment to support a multiagency transportation network is required.

As BSOOB Transit continues our work to provide safe, clean, reliable and affordable local public transportation for all, we are excited about partnering on the Mobility Management Hub Project. We enthusiastically support York County Community Action Corporation's proposal.

Sincerely,

Chad Heid
Executive Director
