OPEN

MaineDOT will be hosting an Open House regarding the Bar Harbor Route 3 improvements on Tuesday, March 13th, from 3 - 6 pm at the Bar Harbor Town Office. Representatives of MaineDOT and the contractor, Sargent Construction, will be on hand to discuss the project, including what was accomplished in 2017, what is planned for 2018, and a new detour route. We are interested in your thoughts and concerns, and will be happy to answer any questions you may have.

For more information visit mainedot.gov or contact MaineDOT Project Manager
