

Thank you!

You helped make the reconstruction of Route 3 a success!

BAR HARBOR
ROUTE 3 PROJECT

The reconstruction of Route 3 in Bar Harbor is complete, and it's time to welcome family, friends and our summer guests to Mount Desert Island. Thank you to everyone for your patience, for using the one-way detour loop and for driving safely through work zones. Your cooperation helped bring the project in on schedule, and we thank you.

MaineDOT

Here are just some of the safety enhancements and benefits resulting from the project:

- Paved shoulders for bicyclists and pedestrians
- New sidewalks, and sidewalk improvements to meet ADA standards
- Safer crossings, with electronic crossing signs
- New multi-use path along part of the project span
- Where possible, 3-foot wide esplanade added between sidewalk/multi-use path and the road
- New bus turnouts
- Upgraded intersection of Mt Desert St. and West St.
- Improved drainage and runoff management
- New road surface and striping

To all the residents, businesses and visitors of Bar Harbor, thank you and drive safely!
