<ul style="list-style-type: none"> • Sign legend and background sheeting shall be from the same sheeting manufacturer. • Fluorescent yellow-green and orange are the only two fluorescent colors regularly used by MaineDOT. 			

PLEASE NOTE: Products often times may have multiple uses. Products appearing on this particular list are expressly pre-qualified for this category of usage only. Do not use these products for any other application unless noted on other lists.

Manufacturers and sales representatives seeking prequalification of a new product should submit their product's Technical Data Sheet, Instructions for Installation, Material Safety Data Sheet, FHWA Letter of Acceptance (if applicable), and a fully completed copy of the [MaineDOT New Product Evaluation Form \(PDF\)](#).

If you are experiencing difficulties reading or printing this page, or any page on the Qualified Products List website, please contact the Product Evaluation Coordinator at 207-624-3268.

Re-certification of these products is required 5 years from date of Approval, and every 5 years thereafter to remain on the QPL.
