John Pierce explained training would not begin until January 1998. Therefore, he would like the one-year program to run from January 1998 to December 1998. After discussion, the Board agreed to ask the Commission to authorize training from January 1998 to December 1998, with the understanding that the majority of the training will be complete by September 1998.

NOTE: The Commission approved this proposal by Order issued on December 23, 1997.
