

Make a HEART BOOKMARK

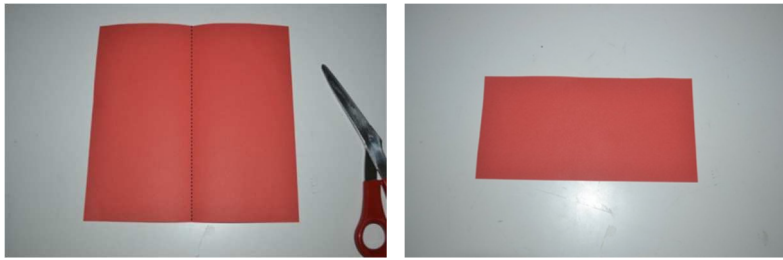

MATERIALS:

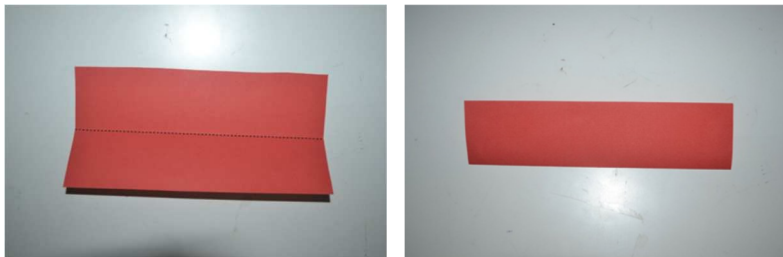

Square piece of paper
Scissors

You can make two hearts with one piece of paper.

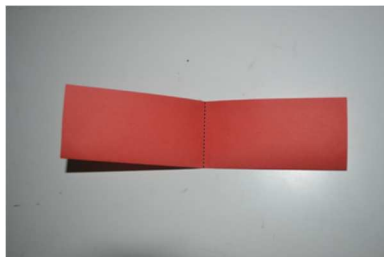

STEP 1: Fold your piece of paper in half. Cut along the crease.

STEP 2: Fold your piece of paper in half. If your paper has white on one side, make sure the color side is facing out.

STEP 3: Fold your page in half again, but in the other direction. Then unfold it.
