

Popsicle Stick Alligator

Materials Needed: 1 large popsicle stick, googly eyes, green paint or marker, white cardstock or foam, 3 green pipe cleaners, glue, scissors

Instructions:

1. Paint or color your craft stick and allow it to dry.
2. Start wrapping the pipe cleaner around the stick about 2" from one end. Once you've wrapped the first pipe cleaner, wrap one more.
3. Cut one pipe cleaner in half. Wrap one around the stick and form to make legs. Repeat for another set of legs.

4. Glue eyes onto the stick.
5. Glue a square of the cardstock or craft foam below the alligator's head.
6. Trim this in a zigzag pattern to form teeth.
