## **PREAMBLE**

Whereas, the Executive Branch of the State of Maine (hereinafter referred to as "State" or "employer") and the Maine State Employees Association, Service Employees International Union, Local 1989 (hereinafter referred to as "MSEA-SEIU") desire to establish a constructive, cooperative and harmonious relationship; to avoid any interruption or interference with the operations of the employer; to promote effective service and quality of work life towards the accomplishment of the missions of the State; and to establish an equitable and peaceful procedure for the resolution of differences;

Therefore, this Agreement by and between the parties is entered into as of July 2, 2013.

## **ARTICLE 1. UNION RECOGNITION**

Pursuant to the Maine Labor Relations Board certification dated September 7, 1977, the State recognizes the Maine State Employees Association (MSEA-SEIU) as the sole and exclusive representative for the purpose of representation and negotiations with respect to wages, hours of work and other conditions of employment for all employees included in the Supervisory Services Bargaining Unit.

In the event of a dispute between the parties as to future inclusions or exclusions from the unit resulting from the establishment of new or changed classifications or titles, either party to this Agreement may apply to the Maine Labor Relations Board for resolution of the dispute.

Employees who are employed on a seasonal basis, i.e., for regularly recurring seasonal periods of three (3) months or more, shall be covered by the provisions of this Agreement upon the completion of six (6) months employment, subject to any special provisions relating to their employment. In order to qualify, such six (6) months must be worked in not more than three (3) consecutive years and only time in pay status during such seasons shall count. Employment time of persons outside State service who are on acting capacity assignment to a seasonal position, and employment time of persons holding a seasonal intermittent position shall not count towards the completion of such six (6) months.

Part-time employees will be covered by the provisions of this Agreement after completion of six (6) months of service except for the provision for dismissal for just cause. The just cause provision for dismissal shall apply after completion of 1,040 compensated hours exclusive of overtime hours. All benefits provided to part-time employees shall be prorated to the extent required by State law.

Temporary, seasonal and on-call employees, excluded by law from the bargaining unit, include project employees, seasonal employees not covered by the preceding paragraphs, persons from outside State service who are on acting capacity assignment, and intermittent employees. Project employees are employees appointed to a project position which is restricted to a planned work program to be completed within a specified period of time and which is not regularly recurring. Intermittent employees are employees who are appointed for a period of time on a sporadic basis and who work not more than one thousand forty (1,040) hours in any consecutive twelve (12) month period beginning with the date of hire or anniversary of date of hire.

Any employee designated as intermittent, who works in excess of the limits set out above and who works more than 1,040 regularly scheduled hours during the period since appointment as an intermittent employee without a break in service due to resignation or dismissal shall be covered by the terms of this

Agreement. The sporadic periods such an employee is not in pay status because of the sporadic nature of the position shall not be considered to be a break in service. Where a legislative position count permits, such employee shall be placed in a permanent or limited period full-time or part-time position as appropriate, provided that he or she is eligible for appointment. If necessary, the employee may reopen the appropriate register to establish eligibility.

Nothing in this Article shall be interpreted as removing any rights or benefits of temporary, intermittent, project or seasonal employees provided under Title 5, M.R.S.A., Section 553-A and 559, Public Law 667, 1978, or any other provision of law or rule.

## **ARTICLE 2. ACCESS TO EMPLOYEES**

MSEA-SEIU shall have access to employees covered by this Agreement to carry out its legal responsibilities as a bargaining agent as provided for in this Article.

MSEA-SEIU's representatives will be granted reasonable access to employees during employees' working hours for the purpose of investigating and processing grievances and for the purposes of administering this Agreement. Such access will be subject to the representative providing the appropriate State representative with advance notice of the visit. Such access will not disrupt State operations or violate agency security procedures. If access needs to be temporarily delayed for special reasons, those reasons shall be explained to the MSEA-SEIU representative.

Any MSEA-SEIU representative may have access to employees in this unit for the purpose of explaining MSEA-SEIU programs and benefits during employees' non-working time, e.g., breaks, lunch periods and after hours, provided such access does not interfere with State operations. Such access shall be on non-work areas.

## **ARTICLE 3. ACTING CAPACITY**

### **1. Temporary Assignments**

When an employee is assigned temporarily by his/her appointing authority to a job for which he/she is qualified in a higher pay grade for a period of five (5) days or his/her regular workweek, whichever is less, the employee shall be paid retroactively from the initial date of the temporary transfer for the duration of the temporary assignment. The employee shall be paid as if he/she has been promoted during such assignment. In no event may an employee

acquire any status in a higher classification as a result of his/her temporary assignment. Acting capacity assignments shall not be made on an arbitrary or capricious basis. Employees shall not be rotated in acting capacity in an arbitrary or capricious manner in order to avoid payment of acting capacity pay.

This Article shall not be used in lieu of the proper processing of any request for reclassification or reallocation of a position pursuant to the Personnel Rules and the Reclassifications, or the filling of a vacancy pursuant to the Personnel Rules and the Seniority Article.

## **2. Seasonal Employees – Off Season Assignments**

Full-time seasonal employees shall accrue no more than eight (8) hours of sick leave in any one month, pro-rated for part-time employees.

## **ARTICLE 4. APPROVAL OF LEGISLATURE**

The parties agree to jointly support any legislative action necessary for the implementation of any cost items in this Agreement. If the Legislature rejects any cost items submitted to it, all cost items shall be returned to the parties for further bargaining.

## **ARTICLE 5. BEREAVEMENT LEAVE**

Each full-time employee covered by this Agreement shall be allowed up to forty (40) hours leave with full pay, for absences resulting from the death of a spouse or significant other, or the death of a child, stepchild, grandchild, parent or stepparent of either the employee or the employee's spouse or significant other and up to twenty-four (24) hours of leave with full pay for absences resulting from the death of other members of the employee's immediate family, as defined below. The posting of any MSEA-SEIU materials shall be restricted to such bulletin board space only except that, in each work location where bulletin board space is not provided for MSEA-SEIU, the State shall designate an appropriate alternative space where such materials may be posted.

In no instance may MSEA-SEIU post any material which is profane, obscene or defamatory to the State, its representatives or any individual, or which constitutes campaign material between competing employee organizations it is determined that the posting of such material would violate any obligation of the State for neutrality. Upon mutual agreement, an agency may at any time pay an employee for up to one-half (1/2) of that employee's accumulated time. Such payment shall be made at the employee's hourly rate of pay in effect at the time of payment.

When an employee's anniversary date falls on any day from the first day of a pay week through Wednesday of the pay week, the employee's merit increase shall be effective as of the first day of the pay week within which the anniversary date falls. Otherwise, the merit increase shall be effective on the first day of the next pay week.

Grievances arising from the denial of merit increases shall not be arbitrable under this Agreement but shall be processed as follows:

1. Within fifteen (15) workdays after an employee is notified that his or her merit increase has been denied, the employee and/or his or her union representative may grieve the denial by notifying the employee's supervisor in writing that the employee wishes to grieve it. That grievance will be heard and decided by the Agency Merit Increase Appeals Board ("Agency Appeals Board").

2. Each Department or Agency shall, jointly with MSEA-SEIU, form an Agency Appeals Board when needed to hear and decide grievances regarding denial of a merit increase. MSEA-SEIU and the Department or Agency shall each

#### **E. Call Out**

Any employee who is eligible for overtime who is called out for work outside of and not continuous with his/her regular hours will be paid a minimum of four (4) hours of the employee's regular rate of pay or hours actually worked at the appropriate rate, whichever is greater. Any additional call outs occurring within the same four (4) hour period shall be compensated for actual time worked at the appropriate rate. This section shall not apply to an employee who is called in four (4) hours or less prior to the start of his/her workday or shift and who continues to work that day or shift or to an employee held over at the end of their regular workday.

Notwithstanding this provision, employees in agencies which have compensated for call-out on a higher basis as of January 1, 1997 shall continue to be compensated on the higher basis.

When non-standard law enforcement employees are called out for work on any of the scheduled days off they shall be granted one and one-half (1½) hours of compensating time for each hour worked. In lieu of compensating time, upon mutual agreement, employees may be paid one and one-half (1½) their base hourly rate for each hour worked. Unless the employees are to receive pay rather than compensating time, the compensatory time shall be scheduled as soon as practicable and ordinarily will be within thirty (30) days of the day worked unless on an otherwise mutually agreed upon later day, except that the thirty (30) day period may be extended because of seasonal high workload in the agency in which the employee is employed. If such compensating time off is not granted within six (6) months of the date the employee was scheduled to work his/her day off, the employee shall be paid in lieu of compensating time off.

## **F. Overtime**

**1.** Excepting employees designated as non-standard, full-time employees in pay ranges 01 through 21 shall be paid one and one-half (1½) times the hourly rate of pay after actually working eight (8) hours in any day, or after their regular scheduled hours if greater, or forty (40) hours of actual work in any workweek.

The above provisions shall apply to full-time employees working alternative compressed work weeks but shall not include other alternative work schedules such as flextime schedules, etc. or part-time employees who shall be eligible for overtime after forty (40) hours of actual work in any week. In lieu of premium pay employees may, upon mutual agreement, take compensating time at the rate of one and one-half (1½) hours of compensating time for each hour of overtime worked.

**2.** For those employees working extended workdays, overtime shall be calculated daily at one and one-half (1½) times the employee's regular rate of pay after the employee has actually worked more than eight (8) hours in a day or the employee's regularly scheduled workday, exclusive of scheduled daily overtime hours, whichever is greater, as follows. This provision shall not apply to employees working on alternate work schedules, or flex-time schedules.

Scheduled Workday	Overtime Begins After
8.5 hours/8.8 hours	8 hours
12.33 hours	11.43 hours
10.63 hours/11 hours	10 hours
12.25 hours	11.43 hours

**3.** Employees in pay ranges 21 and above who, on September 3, 1984 were receiving some form of overtime compensation, shall continue to do so until they vacate their present positions. Notwithstanding the foregoing, the State's policy with respect to special exceptions which have been made or which are made in the future under that policy, will continue.

**4.** Employees in pay ranges 22 and above who do not receive any form of overtime compensation shall receive three (3) personal leave days per year with pay, as of January 1 of each year. Employees who first become eligible for personal leave days under this Article on or after July 1 of a calendar year shall receive only one and one-half (1½) days for the year, instead of three (3). Except where operational needs require otherwise, these employees shall be entitled to take these personal leave days at times of their choice. At the end of the calendar year, unused personal leave days may be carried over and applied toward the maximum vacation accrual.

5. Employees who are not eligible for overtime under the collective bargaining agreement, but are entitled to premium overtime after forty (40) hours of actual work because they are “non-exempt” under the Fair Labor Standards Act (FLSA), may, in lieu of premium pay, upon mutual agreement, take compensating time at the rate of one and one-half (1½) hours of compensating time for each hour of overtime worked.

6. Compensating time earned by the employees described in Paragraph 5 may be accumulated up to two hundred forty (240) hours. Except where operational needs require otherwise, employees shall be entitled to use compensating time at times of their choice.

7. Any compensating time accrued by such employees will be recorded on official time reports. Such time must be used consistent with this agreement.

8. Any compensating time accrued by such employees will be recorded on official time reports. Such time must be used consistent with this agreement.

9. Time during which an employee is excused from work with pay under the Holidays Article, shall be considered as time worked for the purpose of computing overtime.

10. There shall be no pyramiding or duplication of compensation by reason of overtime or holiday or other premium pay provision of this Agreement. It is understood, however, that with this limitation, the method of payment which gives the greatest amount will be followed.

11. 2. Upon mutual agreement, the State and MSEA-SEIU will use technology available to each party for the purpose of transmitting and receiving the aforementioned electronic data in the most efficient and secure manner possible. MSEA-SEIU Information Technology staff will work with the State on file format and transfer protocols.

Participation in any training inside or outside of work hours which is required by the State as a condition of fulfilling the requirements of the employee's job, or any in-service State training which is conducted or undertaken during normally scheduled work hours will be considered as time worked.

4. The State shall pay tuition, course-related fees, other approved course required costs and for necessary travel and lodging pursuant to established policies and procedures.

## **ARTICLE 29. EMPLOYEE ORGANIZATION LEAVE**

### **A. Leave for MSEA-SEIU Organization Activities**

A list of such employees designated as stewards or chief stewards shall be given to the Office of Employee Relations and to appropriate officials at the institution or agency levels on a quarterly basis in July, October, January and April. Such stewards or chief stewards will be allowed a reasonable amount of time away from their work without loss of pay to investigate and process grievances. Prior to leaving his/her workstation to attend such business, a steward or chief steward shall obtain consent of his/her supervisor. If operational considerations or workloads temporarily delay the release of a steward or chief steward to attend to proper duties under this Article, he/she will be released for such purposes as soon as practicable. The employee shall be released for these purposes, and the use of leave time will be determined as either vacation, compensating time or personal time upon return to work. Such release shall not be unreasonably denied.

## **ARTICLE 34. GRIEVANCE PROCEDURE**

### **1. Definitions and Scope**

1.1 Employees shall have the right to present grievances in accordance with the procedures prescribed in this Article.

1.2 For purposes of this Agreement, a grievance is a dispute concerning the interpretation or application of the terms or provisions of this Agreement. It is intended that this shall not mean administrative matters under the Retirement System and the Group Health Insurance Program.

### **2. Procedure**

2.1 **Step 1:** Within fifteen (15) workdays after the act or omission which gives rise to the grievance or an employee becomes aware or should have reasonably become aware that he/she has a grievance, the employee and/or his/her representative shall present the grievance orally to his/her immediate supervisor. The immediate supervisor shall be responsible for taking such steps as are advisable, including consultation with supervisors with authority to resolve the grievance, in an effort to resolve the grievance.

**2.2 Step 2:** If the grievance is not resolved within ten (10) workdays of submission at Step 1, within ten (10) workdays thereafter the employee and/or his/her representative may present the grievance in writing to the department or agency head. The writing shall state the nature of the grievance and the remedial action requested. The department or agency head or his/her representative may meet with the employee and/or his/her representative and shall provide the employee and his/her representative with his/her decision in writing within fifteen (15) workdays of receipt of the grievance at this Step 2.

**2.3 Step 3:** If the grievance is not resolved at Step 2, within ten (10) workdays after receipt of the written decision of the department or agency head the employee and/or his/her representative may appeal to the Chief Counsel Office of Employee Relations by filing with him/her a written notice of appeal, together with copies of the written grievance and the Step 2 decision. The Chief Counsel Office of Employee Relations or his/her representative may meet with the employee and/or his/her representative and shall provide the employee and/or his/her representative with a written decision within fifteen (15) workdays of receipt of the appeal; or, if a meeting is held, within ten (10) workdays after the conclusion of such meeting.

**2.4 Step 4:**

**(a)** If the grievance has not been satisfactorily resolved at Step 3, then MSEA-SEIU may submit the grievance to arbitration by submitting a request for arbitration to the Chief Counsel Office of Employee Relations as well as a statement of the grievance specifying the Article, section or clause of the contract alleged to have been violated, along with the concise statement of facts surrounding the issue and the remedial action requested. The request for arbitration shall be received by the Office of Employee Relations through personal service or by mailing by registered or certified mail within fifteen (15) workdays of the receipt of the Step 3 decision.

**(b)** Upon receipt by the Chief Counsel Office of Employee Relations of a request for arbitration, the parties shall attempt to mutually agree upon an arbitrator. If unable to agree upon an arbitrator within five (5) workdays of receipt of the request for arbitration, the arbitrator shall be selected through the American Arbitration Association ("AAA") in accordance with the AAA rules then in effect.

The request for arbitration along with a request for a list of arbitrators must be received by AAA within six (6) weeks of the Office of Employee Relations' receipt of the request for arbitration, in order for the AAA administration fees to be shared equally by the parties. If such request is not received by AAA by the expiration of the six (6) weeks but is received within twelve (12) weeks, MSEA-SEIU shall pay the entire AAA administration fee. If a request has not been received by AAA within twelve (12) weeks of the Office of Employee Relations'

receipt of the request for arbitration, MSEA-SEIU will be deemed to have waived its right to appeal the Step 3 decision to arbitration.

Unless the parties mutually agree on another arbitrator, or unless the parties use the AAA for arbitrator selection, they agree to use the Tri-Partite Arbitration Process, as described in the Memorandum of Agreement on that subject dated February 25, 1999.

**(c)** The decision of the arbitrator shall be final and binding consistent with applicable law and this Agreement. The arbitrator shall have no authority to add to, subtract from or modify any provisions of this Agreement. The arbitrator shall have no authority to award interest on any award. All costs of arbitration, including fees and expenses of the arbitrator, shall be divided equally between the parties, except as provided in section 2.4(b) of this Article, and except that each party shall bear the costs of preparing and presenting its own case.

**(d)** The arbitrator shall fix the time and place of the hearing, taking into consideration the convenience of the parties. The arbitrator shall be requested to issue a written decision within thirty (30) days after completion of the proceedings. The arbitrator shall be bound by the rules of the AAA which are applicable to labor relations arbitrations and which are in effect at the time of the arbitration. In the event of a disagreement regarding the arbitrability of an issue, the arbitrator shall make a preliminary determination as to whether the issue is arbitrable. Once a determination is made that such a dispute is arbitrable, the arbitrator shall then proceed to determine the merits of the dispute.

**(e)** In grievances involving discharge of an employee and/or discipline which has led to a discharge, the arbitration hearing shall be held within four (4) months of the Step 3 decision. Subsequent hearing dates, if necessary, shall be held at the earliest date(s) offered by the assigned arbitrator and which is mutually acceptable to the parties. The parties agree that in the event of a conflict in the scheduling of grievance arbitrations, grievances involving discharge and/or discipline which has led to a discharge shall have priority over all other pending grievance arbitration matters between the parties.

### **3. General Provisions**

**3.1** The State shall not deny any employee MSEA-SEIU representation at any stage of the grievance procedure and MSEA-SEIU shall have the exclusive right to represent employees in any grievance.

When an employee elects to pursue a grievance at Steps 1, 2 or 3 without representation, MSEA-SEIU shall have the right to be present at any grievance step meeting and shall receive copies of written determinations, if any, at all

stages. No resolution of a grievance shall be inconsistent with the provisions of this Agreement.

**3.2** All of the time limits contained in this Article may be extended by mutual agreement of the parties and such extensions shall, in order to be effective, be confirmed in writing. The parties may mutually agree to bypass steps of the grievance procedure.

**3.3** In no event can a grievance be taken to the next or any succeeding step of this procedure unless the employee and/or his/her representative meets the time limits or extensions thereof. Failure to the State and its representatives to adhere to the prescribed time limits or extensions thereof shall constitute a waiver of the applicable step and the employee and/or MSEA-SEIU may proceed to the next step.

**3.4** Grievances resolved at Steps 1 or 2 shall not constitute a precedent unless a specific agreement to that effect is made by the Chief Counsel Office of Employee Relations or his/her designee and MSEA-SEIU.

**3.5** Any grievance involving two (2) or more employees within the bargaining unit within the same department or agency may be processed jointly and shall be initiated with the most immediate common supervisor of the employees involved.

**3.6** An aggrieved employee and/or his/her representative shall have the right to inspect and to obtain copies of any records, documents and other materials relevant to the grievance and in the possession of the State. The State shall have the right to inspect and to obtain copies of any records, documents and other materials relevant to the grievance and in the possession of the Union.

**3.7** An aggrieved employee and any employee's witnesses as may be reasonable shall not suffer any loss of pay and shall not be required to charge leave credits as a result of processing grievances during such employee's or witnesses' regularly scheduled working hours, provided, however, that when such activities extend beyond such employee's or witnesses' scheduled working hours such time shall not be considered as time worked. Such release time shall not be construed to include preparation of paper work, record-keeping, conferences among Association officials or preparation for representation at a grievance hearing.

**3.8** The settlement or an award upon a grievance may or may not be retroactive as the equities of each case demand.

**3.9** Non-select grievances will be filed at Step 2. Subsequent steps in the grievance process shall follow the chain of supervision for that position.

**3.10** Grievances other than non-selects may be filed directly to Step 2 if the grievant's immediate supervisor had no involvement in the action or decision giving rise to the grievance.

## **ARTICLE 35. HEALTH AND SAFETY**

1. The State will take appropriate action to assure compliance with all of applicable laws concerning the health and safety of employees in its endeavors to provide and maintain safe working conditions. MSEA-SEIU agrees to support any programs required to meet the health and safety needs of employees.

An employee may request his/her department to provide safety related equipment, clothing, devices or tools as may be required to maintain a safe working environment. Such requests, if denied, may be appealed, upon notice to the department, to the Labor/Management Committee on Safety of State Buildings, which decision shall be final and binding on the parties. In this regard, formal votes required by the Committee shall be cast as one (1) vote by labor and one (1) vote by management.

2. Ferry Service employees shall not be required to drive vehicles onto vessels unless they hold appropriate licenses.

3. Department of Transportation and Department of Agriculture, Conservation and Forestry employees opting to provide and use their own protective eyewear pursuant to DOT Policy Memorandum 410 and Department of Agriculture, Conservation and Forestry Policy IPLS #01-102, shall receive the sum of up to seventy-five dollars (\$75.00) per year toward the cost of any prescription eyewear needed by the employee. Additionally, this allowance may be extended to other employees through departmental work rules, subject to mutual agreement of the parties.

## **ARTICLE 36. HEALTH INSURANCE**

The State shall provide health plan coverage for employees pursuant to Title 5 §285. The State shall pay sixty percent (60%) of the cost of dependent premium for each eligible employee who selects dependent coverage.

Part-time and seasonal employees hired into permanent full-time positions will be allowed to apply for health insurance within 60 days of the permanent appointment with no evidence of insurability.

## **ARTICLE 37. HOLIDAYS**

1. Employees have the following paid holidays:

New Year's Day

Martin Luther King Day

Presidents' Day

Columbus Day

Veterans' Day

Thanksgiving Day

Patriot's Day  
Memorial Day  
Independence Day  
Labor Day

Friday following Thanksgiving Day  
Christmas Day

Employees released from work on these holidays shall be paid for their regularly scheduled hours of work. Time during which an employee is excused from work on holidays shall be considered as time worked for the purpose of computing overtime.

**2.** Any holiday falling on Saturday shall be observed on the preceding Friday and any holiday falling on Sunday shall be observed on the following Monday. Employees who work the calendar date and who are off on the observed date shall be paid the appropriate holiday rate for the calendar date only. Employees who are off on the calendar date and who work on the observed date shall be paid the appropriate holiday rate for the observed date only. Employees who work both the calendar date and the observed date shall be paid the appropriate holiday rate for the observed day only. A reasonable attempt shall be made not to schedule an employee for both the calendar date and the observed date of a holiday. Employees who are not scheduled to work either the calendar or the observed day of the holiday shall be given either another day off within the same workweek or a day's pay at the option of the agency.

**3.** In addition to regular pay for holidays, those employees who are currently eligible for premium overtime pay shall be entitled to one and one-half (1½) times their hourly rate for time worked on holidays. In lieu of premium pay, eligible employees may, upon mutual agreement, take compensating time at the rate of one and one-half (1½) hours of compensating time for each hour of holiday worked. Employees not eligible for premium pay shall be paid or, upon mutual agreement, be given compensating time off at an hour for hour basis. Compensating time shall be used pursuant to the provisions of the Compensating Time Article.

**4.** When a non-standard law enforcement employee is required to work on a holiday, he/she will be given one and one-half (1½) times their hourly rate of pay for each hour worked. In lieu of pay, upon mutual agreement, employees will be given one and one-half (1½) hours of compensating time for each hour worked. Such time shall be accrued and used in accordance with the Compensating Time Article.

## **5. Holiday Pay for Part-Time Employees**

Holiday pay for part-time employees will be prorated. Paid holiday hours are determined by dividing the number of authorized hours by forty (40) and

multiplying by eight (8). Holiday hours to be paid are subtracted from the authorized position hours.

### **ARTICLE 38. HOURS AND WORK SCHEDULES**

**1.** The basic department, agency or other operational unit work schedules and practices, including work schedules or practices peculiar to particular classes, in effect on the effective date of this Agreement, shall not be changed without the employer informing MSEA-SEIU in advance and negotiating the impact of such changes, if requested, on the affected employees. Negotiations shall occur no longer than a thirty (30) day period prior to the implementation of the change. If the parties have not reached agreement within the thirty (30) day period, the obligation to bargain shall continue.

**2.** To the extent practicable, employees shall be scheduled in a manner that will not result in split shifts, split days off or frequent changes in work schedules. Every practical effort will be made to equitably treat employees whose jobs require that they work irregular or frequently changed hours, shifts or workweeks.

**3.** It is recognized that involuntary work schedule changes may have an adverse impact on employees, and the employer recognizes its obligation to avoid or minimize such adverse impact to the extent practicable. An employee will be given at least fourteen (14) calendar days' notice prior to the effective date of the change in his/her individual schedule unless emergency or unforeseen developments preclude the possibility of such notice.

**5.** Layoffs and recalls to work for a period of three (3) working days or less are temporary and not subject to the provisions of this Article.

## **B. Layoffs**

When an appointing authority determines that a reduction in force is necessary, implementation of that reduction in force will proceed as follows:

**(1)** The appointing authority determines which positions, in each organizational unit and unit division, are to be abolished or funding eliminated.

**(2)** The least senior employee(s) in the affected classification and unit division will be laid off. More senior employees who occupy positions that are abolished or for which funding is eliminated will be reassigned to vacancies created by these layoffs or to other available vacancies in the class and unit division. These employees will be offered their choice of vacancies into which they may be reassigned in order of seniority, provided they are qualified to perform the duties of the position they select.

**(3)** If no option exists in (2), in lieu of layoff a displaced employee may accept, in order of seniority, reassignment to an available vacant position in his or her last previously held classification, regardless of changes to range, title, and/or bargaining unit of the classification since the employee left the classification, in the same unit division, provided the employee is qualified to perform the duties of the position.

**(4)** If no option exists in (3) above, in lieu of layoff a displaced employee may displace, in order of seniority, the least senior employee in his or her last previously held classification, regardless of changes to range, title, and/or bargaining unit of the classification, since the employee left the classification, in the same unit division, provided he or she has greater seniority than the employee being displaced and is qualified to perform the duties of the position. The employee may also accept reassignment, in order of seniority, to an available vacancy in classifications that are lower related to the employee's current classification in the same unit division, provided the employee is qualified to perform the duties of the position.

Any employee displaced pursuant to this provision shall have like reassignment and displacement rights.

No classified employee may displace any unclassified employee. No unclassified employee may displace any classified employee except to the classification in the other service that was the last previously held.

The State and MSEA-SEIU shall negotiate to establish appropriate organizational units and unit divisions. Either party may request a review of an organizational unit or unit division on a departmental basis. In the event that the parties are unable to agree to appropriate organizational units and unit divisions either party may submit the dispute at any time thereafter for a binding determination to a qualified arbitrator mutually agreed upon by the parties or selected through the American Arbitration Association in accordance with the rules and procedures of that Association.

No employee other than a permanent employee, including permanent seasonal employees, shall be used to perform work in a class in the unit division while a permanent employee who is qualified to do the work is on layoff unless the laid off employee refuses the work.

### **C. Notice of Layoff/Reassignment/Displacement**

Employees to be affected by pending layoff, reassignment, or displacement shall be given written notice as soon as practicable but at least five (5) workdays before the effective date of the layoff/reassignment, or displacement. Employees affected by layoff/reassignment/displacement shall be required to reply in writing within three (3) workdays of notice of layoff as to their decisions on layoff, reassignment, and displacement rights. Employees subject to actual layoff and not displacing other employees shall be entitled to notice of at least ten (10) workdays before layoff. Copies of any notices from the State to employees under this provision shall be given simultaneously to MSEA-SEIU.

### **D. Recalls**

A recall register shall be established for each class by organizational unit or unit division, as appropriate, from which any employee has been laid off, transferred or demoted in lieu of layoff. An employee who is notified of layoff will be placed on the recall register, immediately upon receipt of written notice to the Bureau of Human Resources from the employee in the manner prescribed by the Bureau, for the class from which he or she was laid off and, when applicable, his or her last previously held classification. Any vacancy occurring in that class, or the class last previously held shall be offered first to the employee on the recall register. Recalls to work shall be made as follows:

(1) To the most senior employee in the unit division who possesses the minimum qualifications to perform the duties of the position;

(2) To the most senior employee in the organizational unit who possesses the minimum qualifications to perform the duties of the position;

(3) To the most senior employee statewide who possesses the minimum qualifications to perform the duties of the position.

Employees who refuse recall to the same classification, or to the last previously held classification, for a unit division, organizational unit, or on a statewide basis, from which he or she was laid off or to which they have recall rights shall be removed from the appropriate recall register.

**E. Other Vacancies**

An employee laid off or about to be laid off may open any employment register for which he/she is eligible for the purpose of establishing qualifications for any State position.

The placement on class registers and certification procedures for employees on layoff shall be treated as promotional in all cases, regardless of the pay grade of the class for which the employee is applying.

**F. Maine DOT Maintenance and Operations Crews (Including Bridge, Fleet, Highway and Traffic**

Maine DOT employees assigned to Maintenance and Operations crews (including bridge, fleet, highway and traffic) shall, prior to the operation of the reassignment and displacement options under this Article, first exercise reassignment and displacement rights as follows:

**(a)** Initially the least senior employee in the affected classification in the crew involved shall be the employee subject to layoff. More senior employees who occupy positions that are abolished or for which funding is eliminated will be offered reassignment within the crew, in order of seniority, to their choice of vacancies created by these layoffs or to other available vacancies in the classification.

**(b)** If no option exists in subsection (a) above, then in lieu of layoff, the affected employee will also be offered reassignment within the crew, in order of seniority, to his or her choice of any available vacancies in his or her last previously held classification, regardless of changes to range, title, and/or bargaining unit of the classification since the employee left the classification, or to his or her choice of any available vacancies in classifications that are lower-related to the employee's current classification.

**(c)** In lieu of layoff, the affected employee may instead elect to displace the least senior employee in a classification that is lower-related to the employee's current classification or in a lower classification he or she previously held (regardless of changes to range, title, and/or bargaining unit of the classification since the employee left the classification) within the crew, or the least senior employee within his or her classification in the same unit division, provided he or she has greater seniority than the employee being displaced.

(d) Any employee affected thereby shall have like displacement rights. An employee finally displaced by the operation of this agreement may then elect to exercise options in accordance with the other provisions of this Article.

#### **G. Filling of Direct Hire Vacancies**

All job vacancies shall be posted in the applicable department, agency, organizational unit or unit division for ten (10) workdays. Any employee wishing to be considered for an applicable promotion shall file a written, dated application with his/her appointing authority or designee within the posting period. Job posting notices shall indicate the name and title of the person to whom applications should be submitted. Seasonal and part-time employees shall have the right to apply for full-time vacancies and shall be given consideration in accordance with their abilities, qualifications and seniority.

Upon promotion an employee shall be entitled to return to his/her former position voluntarily within thirty (30) days of promotion; otherwise voluntary demotion rules will apply. Employees promoted under the provisions of this Article will be in a probationary status for a period of six (6) months from the effective date of the promotion. Such probationary period may be extended for just cause for an additional six (6) months. During such period the employee may be removed from the position promoted to for failure to fulfill the duties of the position. In such case he/she shall be returned to his/her former position if the employee so desires. An employee filling a position created by the promotion shall be likewise entitled to return to his/her former position.

#### **H. Filling of Vacancies for which the Bureau of Human Resources Provides a Certificate of Eligible Candidates**

Current procedures for filling of vacancies for which the Bureau of Human Resources provides a Certificate of Eligible Candidates shall be continued during the term of this Agreement. The following principles, however, shall be followed:

(a) Notice of all vacancies shall be posted in the applicable department, agency, organizational unit or unit division for at least ten (10) workdays.

(b) All employees certified to an appointing authority shall be offered the opportunity of an interview.

(c) Each certified employee shall be notified by the appointing authority of his/her selection or non-selection.

(d) Length of service representing satisfactory service to the State is important for any position and will be given appropriate consideration by the appointing authority along with the qualifications for the position.

The State certification procedures shall provide for concurrent certification of eligible employees instead of serial certification for the duration of this Agreement. Employees accepting a job offer must do so within five (5) business days from that job offer. An employee shall be entitled to refuse four (4) appointments from a register before being removed from the register.

Employees in a department or agency who are in the same classification or on a register for that classification who bid for transfer into a vacancy in the department or agency shall be offered the opportunity to interview for such vacancy.

Upon promotion an employee shall be entitled to return to his/her former position voluntarily within thirty (30) days of promotion; otherwise voluntary demotion rules will apply. An employee at any time during the probationary period or any extension thereof failing to attain permanent status in a promotional position shall be entitled to return to his/her former position. Any employee filling a vacancy created by a promotion shall be likewise entitled to return to his/her former position when a promoted employee returns to his/her former position in accordance with the above provisions.

No grievance may be filed by or on behalf of a candidate with less seniority than the selected candidate, if the grievance alleges that the senior candidate was selected in violation of the provisions of this Article.

## **I. Promotions, Demotions and Transfers**

An employee who promotes to a position in a higher pay grade shall have his/her rate of pay adjusted to the lowest rate in the new grade which is at least five percent (5%) higher than the rate in the class from which promoted. The percentage will be calculated as five percent (5%) of the base rate plus the following pay premiums, when applicable: scheduled overtime (when part of an employee's negotiated work schedule), medication premium, direct care premium, and the appropriate state-paid retirement differential. Notwithstanding the foregoing, the Director of the Bureau of Human Resources may consider exceptions pursuant to Civil Service Rules.

An employee who demotes to a lower pay grade shall have his/her rate of pay adjusted to the highest rate in the new pay grade which is lower than the rate of the class from which the employee left, considering the same pay components listed above.

When an employee transfers (remains in the same pay grade) and remains within the same or equivalent salary schedule, his/her rate of pay will remain the same.

When an employee transfers (remains in the same pay grade), but moves from one salary schedule to another dissimilar salary schedule, his/her rate of pay will be adjusted to the closest step in the new salary schedule that does not result in a loss of pay, considering the same pay components listed above.

Determining the appropriate salary step upon promotion, demotion, or transfer may not result in a salary that is greater than the maximum or less than the minimum rates established in the salary schedule for the new classification.

An employee who transfers to another position must remain in that position a minimum of six (6) months before he/she is eligible to apply for another transfer. This requirement does not apply to seasonal employees.

#### **J. Permanent Seasonal Employees**

The provisions of this Article shall apply to seasonal employees covered by this Agreement but in a separate seniority, layoff, reassignment, displacement and recall track, for their respective seasons, except that through June 30, 2011 for seasonal positions of fifteen (15) weeks or less in the Department of Agriculture, Conservation and Forestry the exercise of all rights are limited to the unit division. Permanent employees laid off from their permanent position shall be entitled to return to previously held permanent seasonal positions. For purposes of this Article, when a seasonal employee moves from the seasonal track to the year-round track, seniority calculations shall be converted to reflect actual time worked in the seasonal position. Seniority credits for the purpose of this conversion shall be calculated in weekly increments. Any time worked within a given week shall be recognized as a full week.

#### **K. Part-Time Employees**

Separate track seniority systems for layoff, reassignment, displacement and recall purposes shall be implemented for full-time and part-time employees. Full-time employees will only be given options in full-time positions. Part-time employees will only be given options in part-time positions.

Full-time positions shall be defined as any position regularly scheduled for forty (40) or more hours per week.

If an employee is the least senior employee in his or her classification and unit division, he or she shall be given the options prescribed in section B of this Article in the other track, provided the employee has previously held that classification in the other track with the agency.

For purposes of this Article, when a part-time employee moves from the part-time track to the full-time track, seniority calculations shall be converted to reflect actual time worked in the part-time position. Seniority credits for the purpose of this conversion shall be calculated according to the employees scheduled workweek. Any time worked within a given week shall be recognized as a scheduled workweek.

Recall rights shall be limited to the track from which the employee is initially laid off, displaced, reassigned or demoted in lieu of layoff.

#### **L. Positions Outside Bargaining Unit**

An employee in the bargaining unit as of the effective date of this Agreement in a position in a class covered by this Agreement but who becomes excluded pursuant to Section 979-A(6)(C) of the State Employees Labor Relations Act and an employee who by way of a promotion through a normal career ladder is in a classified position excluded from the bargaining unit pursuant to Section 979-A(6)(B) or Section 979-A(6)(D) of the State Employees Labor Relations Act and any other employee promoted through a normal career ladder to a position outside of the bargaining unit shall have the same layoff, seniority, displacement, recall and other rights under this Article for return to a position in the bargaining unit as a covered employee would have if the exercise of those rights is occasioned by a layoff.

Employees covered by previous MSEA-SEIU Agreements in any status described above shall continue to have such rights for return to a position in the bargaining unit as described above.

Otherwise, employees excluded from bargaining units pursuant to the State Employees Labor Relations Act shall have no rights under this Article within the bargaining unit.

#### **O. Short-Term Seasonal Positions**

Short-term seasonal position vacancies of fifteen (15) weeks or less duration shall not require posting as a method of filling the vacancy.

### **ARTICLE 62. SEVERABILITY**

In the event that any Article, section or portion of this Agreement is found to be invalid or unenforceable by final decision of a tribunal of competent jurisdiction, or shall have the effect of a loss to the State of funds or property or services made available through federal law, then such specific Article, section or portion specified in such decision or which is in such conflict or having such effect, shall be of no force and effect. Upon the issuance of such decision, if either party requests, the parties shall negotiate a substitute for such specific Article, section or portion thereof, provided that the remainder of this Agreement shall continue in full force and effect. The parties agree to use their best efforts to contest any such loss of federal funds which may be threatened.

### **ARTICLE 63. SHIFT ASSIGNMENTS**

When an opening occurs in a shift assignment in an appropriate work group at a location, preference shall be given to employees within the classification who possess the training, ability and any required special qualifications to perform the work required, on the basis of seniority. In the event that no employee desires a shift assignment, employees shall be selected in order of inverse seniority.

This provision shall not apply to necessary training assignments. This provision shall not in itself alter the practice of rotating shifts where such practice presently exists. No employee, who has a regular shift assignment on the effective date of the Agreement, shall be involuntarily displaced from such shift assignment as a result of this Article.

### **ARTICLE 64. SICK LEAVE**

1. Sick leave credit shall be earned at the rate of one (1) day per calendar month of service. The current practices concerning the earning of sick

leave credits shall be continued. Sick leave shall be earned from the employee's date of employment. Sick leave credit shall be earned for any month in which the employee has been in pay status for ten (10) or more workdays or eighty (80) hours. A part-time employee shall earn sick leave in the same proportion as his/her part-time service bears to full-time service. An employee may accumulate unused sick leave up to a maximum of one hundred and twenty (120) days. Employees currently with lapsed sick leave credits shall have such lapsed sick leave added to their accumulated sick leave up to the maximum allowable accumulation of one hundred and twenty (120) days. However, the amount of unused sick leave accruals which can be credited towards State service for retirement purposes shall be ninety (90) days. When the maximum limitation has been accumulated, days that would normally thereafter be earned shall lapse but shall be recorded by the appointing authority. Any employee who has such lapsed sick leave to his/her credit may apply to the Director of Human Resources to have the sick leave restored in the event of an extended illness. The Director of Human Resources at his/her discretion may authorize restoration of all or any part of the lapsed sick leave after thorough investigation, including complete medical reports of the illness requiring the continued absence of the employee.

**2.** Sick leave may be used for illness, necessary medical or dental care, or other disability of the employee or a member of the employee's immediate family which requires the attention or presence of the employee. Immediate family as used in this Article shall mean the spouse or significant other, the parents of the spouse or significant other, the children of the spouse or significant other, the parents, stepparents, guardian, children, stepchildren, brothers, stepbrothers, sisters, stepsisters, wards, grandparents and grandchildren of the employee. This relationship must have existed for at least six (6) continuous months before benefits under this Article may be provided.

Employees are encouraged to consult with their agency/department Personnel Officer to determine if they are eligible for benefits available under the Federal Family and Medical Leave Act. A medical examination or doctor's certificate may be required on account of use of sick leave for five (5) or more consecutive workdays, or because of repeated absences on days preceding or days following a holiday or weekend. When a medical examination or doctor's certificate is required on account of use of sick leave in excess of five (5) consecutive workdays, the State shall pay the difference between the cost of obtaining such certificate and the amount covered by insurance.

3. Notifications of absence under the provisions of this Article shall be given as soon as possible on the first day of absence or as soon thereafter as circumstances permit.

4. Upon application of an employee, a leave of absence without pay may be granted by an appointing authority for a period of disability because of sickness or injury. If the appointing authority denies the requested leave, it shall state its reason in writing. The appointing authority may, from time to time, require that the employee submit a certificate from the attending physician or a designated physician. If a certificate from a physician other than the attending physician is required, the State shall pay the difference between the cost of obtaining such certificate and the amount covered by insurance.

5. An employee who is transferred to the jurisdiction of another appointing authority or who accepts employment under the jurisdiction of a new appointing authority without interruption of service to the State shall retain his/her accumulated unused sick leave credits.

6. A former State employee who is reappointed within four (4) years of his/her separation may have his/her previously accumulated and unused balance of sick leave revived and placed to his/her credit upon approval of the new appointing authority.

7. Any employee returning from layoff, including seasonal employees covered by this Agreement, shall have the unused sick leave accrued as of the time of layoff restored upon his/her reinstatement.

Sick leave shall be earned from the employee's date of employment. Sick leave credit shall be earned for any pay period in which the employee has been in pay status for five (5) or more workdays or forty (40) hours. A part-time or intermittent employee shall earn sick leave as follows: a part-time or intermittent employee shall earn .04625 hours of sick leave for each hour in pay status per two-week pay period. For part-time employees, "hours in pay status" shall be an employee's regularly scheduled budget authorized hours. An employee may accumulate unused sick leave up to a maximum of nine hundred sixty (960) hours. However, the amount of unused sick leave accruals which can be credited towards State service for retirement

purposes shall be seven hundred twenty (720) hours. For part-time or intermittent employees, the maximum accumulation of sick leave and the amount of unused sick leave which can be credited toward State service for retirement purposes shall be a percentage of nine hundred sixty (960) hours and seven hundred twenty (720) hours, respectively, equal to ten percent (10%) for each eight (8) hours in pay status per two-week pay period. When the maximum limitation has been accumulated, days that would normally thereafter be earned shall lapse but shall be recorded by the appointing authority. Any employee who has such lapsed sick leave to his/her credit may apply to the Director of Human Resources to have the sick leave restored in the event of an extended illness. The Director of Human Resources at his/her discretion may authorize restoration of all or any part of the lapsed sick leave after thorough investigation, including complete medical reports of the illness requiring the continued absence of the employee.

**2.** Sick leave may be used for illness, necessary medical or dental care, or other disability of the employee or a member of the employee's immediate family which requires the attention or presence of the employee. Immediate family as used in this Article shall mean the spouse or significant other, the parents of the spouse or significant other, the children of the spouse or significant other, the parents, stepparents, guardian, children, stepchildren, brothers, stepbrothers, sisters, stepsisters, wards, grandparents and grandchildren of the employee. For the purposes of this Article, "significant other" means that a relationship exists between two people, neither of whom is married, that is intended to remain indefinitely and where there is joint responsibility for each other's common welfare, there are significant shared financial obligations, and they must be living together in a shared primary residence. Employees are encouraged to consult with their agency/department Personnel Officer to determine if they are eligible for benefits available under the Federal Family and Medical Leave Act. A medical examination or doctor's certificate may be required on account of use of sick leave for five (5) or more consecutive workdays, or because of repeated absences on days preceding or days following a holiday or weekend. When a medical examination or doctor's certificate is required on account of use of sick leave in excess of five (5) consecutive workdays, the State shall pay the difference between the cost of obtaining such certificate and the amount covered by insurance.

**3.** Notifications of absence under the provisions of this Article shall be given as soon as possible on the first day of absence or as soon thereafter as circumstances permit.

**4.** Upon application of an employee, a leave of absence without pay may be granted by an appointing authority for a period of disability because of

sickness or injury. If the appointing authority denies the requested leave, it shall state its reason in writing. The appointing authority may, from time to time, require that the employee submit a certificate from the attending physician or a designated physician. If a certificate from a physician other than the attending physician is required, the State shall pay the difference between the cost of obtaining such certificate and the amount covered by insurance.

**5.** An employee who is transferred to the jurisdiction of another appointing authority or who accepts employment under the jurisdiction of a new appointing authority without interruption of service to the State shall retain his/her accumulated unused sick leave credits.

**6.** A former State employee who is reappointed within four (4) years of his/her separation may have his/her previously accumulated and unused balance of sick leave revived and placed to his/her credit upon approval of the new appointing authority.

**7.** Any employee returning from layoff, including seasonal employees covered by this Agreement, shall have the unused sick leave accrued as of the time of layoff restored upon his/her reinstatement.

## **ARTICLE 65. STATE VEHICLES AND EQUIPMENT**

**(b)** Whenever a State vehicle is used by a member during a non-duty status, the member must assume an "on duty" status for the communication and operational purposes.

**(c)** Expenses incurred for gasoline, oil and other costs as the result of using a State vehicle under this section shall be borne by the member involved.

**(d)** The use of State vehicles within the provisions of this section shall be restricted to occasions that involve necessary personal business or emergencies. Such use shall be kept at an absolute minimum.

**7.** Employees of the Warden Service in the Department of Inland Fisheries and Wildlife shall not be subject to the provisions of this Article on the use of vehicles while on duty status or when not on scheduled duty status, but instead shall continue to be subject to the provisions of Inland Fisheries and Wildlife Policy #33 - Personal Use of State Owned Vehicles and Equipment.

## **ARTICLE 66. UNION SECURITY**

### **1. Selection of Fee**

Any employee covered by this Agreement shall be required to choose from the options of membership in MSEA-SEIU or payment to MSEA-SEIU of a service fee equal to their pro-rata share of the costs to MSEA-SEIU that are germane to collective bargaining and contract administration as defined by law.

Within thirty (30) days after the first six (6) months of the beginning of each employee's employment, the State will (1) deduct membership dues from the pay of any employee who chooses the option of membership in MSEA-SEIU by signing a written payroll deduction authorization form authorizing deduction from their pay of the membership dues, or (2) automatically deduct the service fee from the pay of any other employee, unless the employee is a religious objector as provided under Section 6.

### **2. Calculation of Service Fee**

MSEA-SEIU shall determine the amount of the service fee to be charged to non-members, consistent with both applicable law and this Article and shall certify to the State the amount of the service fee.

The service fee paid by part-time employees shall bear the same ratio to part-time dues as the fee paid by full time employees bears to the dues amount paid by full time employees.

### **3. Change of Status**

The right to join MSEA-SEIU shall be determined by the Union's own Constitution and Bylaws. Otherwise, employees may change their status with regard to membership in MSEA-SEIU or service fee payment as follows:

**a.** Employees may change their status from service fee payer to MSEA-SEIU member, or from MSEA-SEIU member to service fee payer, at any time.

**b.** Employees may also start or eliminate their payroll deduction for MSEA-SEIU dues at any time.

**c.** Employees who wish to eliminate payroll deduction for membership dues must tender their dues directly to MSEA-SEIU.

**d.** In order to change status and/or eliminate or change any payroll deduction option consistent with paragraphs (a) through (c) above, and consistent with Section 1, the employee must provide written notice to both MSEA-SEIU and the employee's payroll officer. MSEA-SEIU and the payroll officers shall promptly notify one another of a requested change, providing identifying information regarding the employee who made the request. It may take up to four (4) weeks for the requested change to take effect.

### **4. Payments and Deductions**

It shall be the sole responsibility of MSEA-SEIU to collect its dues and to verify contributions made in lieu of service fees pursuant to Section 6. No payroll deduction of service fees shall be made from workers' compensation benefits or for any payroll period in which earnings received are insufficient to cover the amount of the deduction, nor shall such deductions be made from subsequent payrolls to retroactively cover the period in question. Employees shall not be penalized for failing to pay service fees for any such pay period(s).

### **5. Notice and Audit**

MSEA-SEIU shall calculate the amount of the fee after the close of its annual audit, based on the expenditures reflected in the most recent available audited records. That calculation shall also be audited to verify that the union's records have actually been audited; have been correctly reproduced from the audit report, and that the union has performed any mathematical adjustments correctly, and for any other purpose required by law. The fee will be effective on a paydate at least thirty (30) days after the notice described below has been provided to members of the bargaining unit, or provided to newly eligible employees.

Once the audit is complete, MSEA-SEIU shall prepare a notice, consistent with applicable law, to all employees covered by this Agreement who

are not members of MSEA-SEIU. Such notice shall be updated annually and shall explain the choices and indicate that the sums determined to be the service fee were audited by an independent auditor based on the union's financial records for its most recent fiscal year. The notices shall include all information required by applicable law, including at a minimum, the major categories of expenses, as reflected in the audit; whether each expense will be included in the service fee; the identity of the auditor(s); and the opinion of each audit, including the opinion included in any adjusted audit(s). The State agrees to distribute this notice and dues deduction forms, provided by MSEA-SEIU, to new employees at the time they are hired. MSEA-SEIU shall provide notices required by law to all current bargaining unit employees who are not members of MSEA-SEIU. Any change in the amount of the service fee to be deducted shall be certified to the State's Office of Employee Relations by the Treasurer of MSEA-SEIU at least thirty (30) days in advance of the change. At the same time MSEA-SEIU provides the annual notice to non-members, it will also make the notice available to MSEA-SEIU members through means of communication available to the Union, such as posting on MSEA-SEIU's website.

## **6. Religious Objectors**

Any employee covered hereby who maintains that she/he holds a sincere and bona fide religious belief that conflicts with an obligation to financially support MSEA-SEIU, public employee organizations or labor organizations in general may seek religious objector status by petitioning MSEA-SEIU. Any such employee who is found to hold a sincere and bona fide religious belief that conflicts with an obligation to financially support MSEA-SEIU, public employee organizations or labor organizations in general, shall have the right to refuse to make service fee payments; provided, however, that said right to refuse shall continue only so long as the employee makes contributions at least equal in amount to the service fee to a non-religious charitable organization mutually agreed upon by the employee so refusing and the Union, within ten (10) days after each payday. Part-time employees' contributions to non-religious charitable organizations shall coincide in amount with the payments of those part-time employees paying the service fee. MSEA-SEIU shall not unreasonably deny the choice of such non-religious charitable organization suggested by the employee. An administrative or legal challenge to a denial of a petition for religious objector status may be filed in an appropriate forum. The State of Maine Office of Employee Relations is not such a forum.

Should an employee have a pending written request for religious objector status or a pending administrative or legal challenge regarding their religious objector status, the State will continue to deduct an amount equal to the

service fee from the employee's pay until the request is granted or the challenge is resolved in the employee's favor, and that amount will be placed by MSEA-SEIU in an interest-bearing escrow account pending resolution of such dispute or request. MSEA-SEIU shall pay for any maintenance fees associated with such escrow accounts. The State shall not be liable for any fees, costs, damages, expenses, or any other form of liability involved with regard to such escrow accounts. If an employee is granted religious objector status, MSEA-SEIU will notify the State of the employee's religious objector status, and the State will cease automatic service fee deductions.

It shall be the sole obligation of MSEA-SEIU to certify to the State the name of any employee who has failed to make timely contributions as a religious objector and has, thus, forfeited religious objector status. Once MSEA-SEIU has certified the employee's name to the State, the State will commence and continue to automatically deduct the service fee from the employee's pay as provided in Section 1.

## **7. Disputes**

The amount of the service fee shall be subject to review pursuant to the American Arbitration Association's Rules for Impartial Determination of Union Fees. Pending resolution of any such dispute, the disputed amount of fees shall be placed in an interest-bearing escrow account. MSEA-SEIU shall pay for any maintenance fees associated with such escrow accounts. The State shall not be liable for any fees, costs, damages, expenses, or any other form of liability involved with regard to such escrow accounts.

MSEA-SEIU is solely responsible for payment of the fee charged by AAA for the cost of providing necessary administrative services. The arbitrator will be compensated by MSEA-SEIU, in accordance with the per-diem rate currently on file for that arbitrator with the AAA, and shall be reimbursed for expenses by MSEA-SEIU. Attorneys' fees, witness fees, and other expenses shall be borne by the respective parties. No fees, costs, damages, expenses, or other form of liability involved with regard to arbitration shall be borne by the State.

In the event a dispute under this Article is submitted to arbitration, the arbitrator shall have no power or authority to order the State to pay such service fee on behalf of any employee.

In the event a change in law requires that this type of dispute be resolved in a forum other than an arbitration under the auspices of the American Arbitration Association, the dispute resolution procedure will comply with law. All portions of this Article that are unaffected by the change in forum will remain in full force and effect.

## **8. Failure to Pay Fee**

In the event an employee subject to the service fee payment requirement has previously failed to pay the total amount of fees due, the State will automatically deduct, as permitted by law, from the employee's pay the arrears due to the Union in an amount which, in combination with the service fee due per pay period, equals ten percent (10%) of the employee's gross pay until the arrears are paid in full, *provided, however*, that an employee may request the Union for a reduction in the percentage deducted for payment of arrears based on demonstrated financial hardship, which may be granted at the Union's discretion. The Union must certify to the State the name of any employee whose request is granted and the amount of the percentage to be deducted for payment of arrears. The State has no obligation, in the event an employee fails to pay service fees or dues, to impose any adverse action (including dismissal) against any such employee.

## **9. Indemnification**

MSEA-SEIU agrees that it shall indemnify, defend, reimburse, and hold the State harmless (collectively, "Indemnification") against any claim, demand, suit, cost, expense, damages, or any other form of liability, including attorneys' fees, costs, or other liability arising from or incurred as a result of any act taken or not taken by the State, its members, officers, agents, employees, or representatives in complying with or carrying out the provisions of this Article; in reliance on any notice, letter, or authorization forwarded to the State by the union pursuant to this Article; and including but not limited to any charge that the State failed to discharge any duty owed to its employees arising out of the service fee deduction; *provided that*, nothing herein shall require Indemnification for any intentional deprivation of an individual's constitutional rights by the State. MSEA-SEIU will intervene in and defend any administrative or court litigation concerning the propriety of any act taken or not taken by the State under this Article. In such litigation the State shall have no obligation to defend its act taken or not taken.

## **10. Severability**

Should the United States Supreme Court, the First Circuit Court of Appeals or any Court in Maine hold indemnity clauses relating to union security void or unenforceable on Constitutional or public policy reasons, this Article shall be stricken in its entirety upon written notification to MSEA-SEIU by the State. Should any Court find the indemnity clause in this Article to be void or unenforceable for any reason, or should any Court find the automatic

deduction provision of Public Laws 2007, Chapter 415 to be void or unenforceable for any reason, this Article shall be stricken in its entirety upon written notification to MSEA-SEIU by the State. Should the State provide such written notification, the parties shall enter into negotiations regarding a replacement Union Security Article.

Should any Court find Public Laws 2007, Chapter 415 to be void or unenforceable in its entirety for any reason, this Article shall be replaced by the Union Security Article in this bargaining unit's contract dated "2005-2007".

## **ARTICLE 67. UNPAID PERSONAL LEAVE OF ABSENCE**

**1.** Any employee may apply for an unpaid personal leave of absence for good and sufficient reason. Leave pursuant to this provision may be for a period not exceeding twelve (12) months in any fourteen (14) consecutive months. Such leave may be granted at the discretion of the appointing authority and shall not be unreasonably denied. Employees are encouraged to consult with their agency/department Personnel Officer to determine if they are eligible for benefits available under the Federal Family and Medical Leave Act. All requests for such leave and responses shall be in writing. The application for leave must specifically state the reasons for such application and the length of time requested. After completion of a period of personal leave of absence, the employee shall be entitled to return to the organizational unit, status and position held immediately prior to the beginning of the leave of absence. If the employee's position is abolished during any such leave, he/she shall be notified and allowed to exercise his/her rights under the Seniority Article of this Agreement.

**2.** A leave of absence without pay and without loss of seniority not to exceed one (1) year may be granted to an employee to permit the employee to accept a position in State service that is excluded from bargaining units under 26 M.R.S.A. §979-A(6) (the State Employees Labor Relations Act). Such employee shall be entitled to return to the organizational unit, status and position held immediately prior to the beginning of the leave of absence within the one (1) year period. Any employees who have filled vacancies created by the initial movement of the returning employee shall likewise be entitled to return to their former positions.

**3.** Except as provided in the Seniority Article, if an employee is laid off from an excluded position for reasons beyond his/her control after the expiration of said one (1) year leave, he/she shall at his/her request be placed on any reemployment registers for which he/she is eligible. Upon reemployment he/she shall be credited with the seniority earned up to the start of the leave granted pursuant to this Article.

4. Any employee currently on leave of absence from a position in this bargaining unit under Personnel Rules, Chapter 11, Section 3C shall be continued on such leave through the end of his/her current coterminous or fixed term appointment or for one (1) year from the effective date of this Agreement if he/she is serving in a position which does not involve a fixed or coterminous term. An employee on leave for a fixed term or coterminous appointment may upon application have such leave extended for up to three (3) months pending reappointment to such excluded position.

5. Any leave of absence pursuant to this Article may be canceled by the appointing authority at any time for good reason upon prior written notice to the employee, specifying a reasonable date of termination of the leave and the reason for cancellation.

#### **ARTICLE 68. USE OF STATE FACILITIES**

Where there is available appropriate meeting space in buildings owned or leased by the State, MSEA-SEIU shall be allowed reasonable use of such space at reasonable times for specific meetings, including space suitable for meetings in private between MSEA-SEIU staff representatives or stewards and employees in the investigation and processing of grievances.

In addition, in buildings owned or leased by the State that have video conferencing facilities, MSEA-SEIU may be allowed reasonable use of those facilities.

Advance arrangements for the use of State facilities shall be made with the department or agency concerned. MSEA-SEIU shall reimburse the State for any additional expense incurred in allowing use of such space. No other employee organization, except such as have been certified or recognized as the bargaining agent for other State employees, shall have the right to meeting space in State facilities for purposes pertaining to terms and conditions of employment of employees. The use of State facilities for meetings shall be in non-work areas or where work is not in progress. Other than meetings in private between MSEA-SEIU staff representatives or stewards and employees in the investigation and processing of grievances, all meetings in State facilities shall be during the off-duty time of employees attending and, in all instances, attendance shall be voluntary. Arrangements for any meetings in State facilities will be made so as to avoid interference with the department's or agency's operations or violation of the department's or agency's security.

## **ARTICLE 69. VACATION**

**1.** Each employee shall earn vacation with pay on the following basis. An employee who is in pay status for ten (10) or more workdays or eighty (80) hours for each completed month, shall earn their monthly accrual on the following basis:

0 through 5 years – 8 hours

Part-time employees shall earn vacation credits at the higher rates after having worked for the State for the required number of calendar years specified above, such credit to be earned in the same proportion as their part-time service bears to full-time service. Seasonal employees shall earn vacation credits at the higher rates after having worked for the State on a seasonal basis during the required number of calendar years specified above regardless of the number of hours or days worked during those calendar years. Other practices concerning the earning of vacation credits shall be continued.

**2.** Except where operational needs require otherwise, employees shall be entitled to use vacation leave credits at times of their choice. Requests for use of vacation leave credits shall not be unreasonably denied. In scheduling vacations, choice of time shall be governed by seniority. All eligible employees within each appropriate work group desiring vacations for periods of a week or more during the months of June, July and August will choose such vacation periods prior to May 1. In the event of conflict among employees in scheduling such vacation leave, seniority shall govern. Later requests for vacation during June, July and August can be granted subject to operational needs.

**3.** Except in cases of extreme emergency, no employee shall be required to work during vacation.

**4.** Employees shall be paid a vacation advance for scheduled periods of vacation of one (1) week or more provided they submit written requests for such advance three (3) weeks prior to the pay day on which they want to receive payment.

5. Time during which an employee is excused from work because of holidays or other leave with pay shall be considered as time worked for the purpose of computing vacation leave credit.

6. Employees with less than fifteen (15) years of continuous State service shall be entitled to accumulate thirty-two and one-half (32½) days of unused vacation leave and shall be compensated for accumulated vacation leave credits upon termination of State service. Employees with fifteen (15) years or more of continuous State service shall be entitled to accumulate forty-two and one-half (42½) days of unused vacation leave, for which they shall be paid upon separation. 8. An employee who is transferred to another appointing authority without interruption of his/her services to the State shall be entitled to transfer his/her unused vacation credits or be paid for all or part of such credits and transfer the remainder.

9. Seasonal employees shall be entitled to carry over from one season to the next accumulated vacation credits up to the amount of one season's accumulation. The maximum which may be carried over is one-half (½) the regular maximum allowable accumulation. The State retains the right to determine the length of seasons.

**[Effective upon implementation of an Automated System]**

Thereafter, provided the last three (3) years of service have been continuous:

6 through 10 years – 4.7 hours

11 through 15 years – 5.6 hours

16 through 20 years – 6.5 hours

20+ years – 7.4 hours

Part-time and intermittent employees shall earn vacation credits at the higher rates after having worked for the State for the required number of calendar years specified above, such credit to be earned as follows:

For part-time employees, "hours in pay status" shall be an employee's regularly scheduled budget authorized hours.

**a.** a part-time or intermittent employee with less than five (5) years of service shall earn .04625 hours of vacation for each hour in pay status per two-week pay period;

**b.** provided the last three (3) years of service have been continuous, a part-time or intermittent employee with at least five (5) years but less than ten (10) years of service shall earn .05875 hours of vacation for each hour in pay status per two-week pay period;

**c.** provided the last three (3) years of service have been continuous, a part-time or intermittent employee with at least ten (10) but less than fifteen (15) years of service shall earn .07 hours of vacation for each hour in pay status per two-week pay period;

**d.** provided the last three (3) years of service have been continuous, a part-time or intermittent employee with at least fifteen (15) but less than twenty (20) years of service shall earn .08125 hours of vacation for each hour in pay status per two-week pay period;

**e.** provided the last three (3) years of service have been continuous a part-time or intermittent employee with at least twenty (20) years of service shall earn .0925 hours of vacation for each hour in pay status per two-week pay period. Seasonal employees shall earn vacation credits at the higher rates after having worked for the State on a seasonal basis during the required number of calendar years specified above regardless of the number of hours or days worked during those calendar years. The current practices concerning the earning of vacation leave credits shall be continued only for those employees regularly scheduled to work in excess of forty (40) hours per week and only for as long as they are so scheduled.

**2.** Except where operational needs require otherwise, employees shall be entitled to use vacation leave credits at times of their choice. Requests for use of vacation leave credits shall not be unreasonably denied. In scheduling vacations, choice of time shall be governed by seniority. All eligible employees within each appropriate work group desiring vacations for periods of a week or more during the months of June, July and August will choose such vacation periods prior to May 1. In the event of conflict among employees in scheduling

such vacation leave, seniority shall govern. Later requests for vacation during June, July and August can be granted subject to operational needs.

**3.** Except in cases of extreme emergency, no employee shall be required to work during vacation.

**4.** Employees shall be paid a vacation advance for scheduled periods of vacation of one (1) week or more provided they submit written requests for such advance three (3) weeks prior to the payday on which they want to receive payment.

**5.** Time during which an employee is excused from work because of holidays or other leave with pay shall be considered as time worked for the purpose of computing vacation leave credit.

**6.** Employees with less than fifteen (15) years of continuous State service shall be entitled to accumulate two hundred sixty (260) hours of unused vacation leave and shall be compensated for accumulated vacation leave credits upon termination of State service. However, a maximum of two hundred forty (240) hours pay of unused vacation shall be credited towards an employee's average final compensation upon retirement.

For part-time and intermittent employees, the maximum amount of accumulated vacation leave and the amount of vacation leave to be paid upon separation shall be:

**A. Maximum Vacation Accruals for Part-Time Employees**

Prorate 260/340 based on authorized position hours. For example:

- (2.)** 16-hour employee [2/5 or .4 full time] = 104/136;
- (3.)** 20-hour employee [2.5/5 or .5 full time] = 130/170;
- (4.)** 24-hour employee [3/5 or .6 full time] = 156/204;
- (5.)** 32-hour employee [4/5 or .8 full time] = 208/272.

**B. Maximum Vacation Accruals for Intermittent Employees**

Since Intermittent employees are eligible to work up to 1040 hours per year [= ½ or .5 full time employee], prorate the maximum vacation accrual to one-half the full time rate = 130/170 hours.

**7.** Every reasonable effort within the constraints of operational needs shall be made to provide Ferry Service employees two (2) consecutive weeks vacation during the summer months.

8. An employee who is transferred to another appointing authority without interruption of his/her services to the State shall be entitled to transfer his/her unused vacation credits or be paid for all or part of such credits and transfer the remainder.

9. Seasonal employees shall be entitled to carry over from one season to the next accumulated vacation credits up to the amount of one season's accumulation. The maximum which may be carried over is one-half (½) the regular maximum allowable accumulation. The State retains the right to determine the length of seasons.

## **ARTICLE 70. WITHDRAWAL OF RESIGNATION**

An employee may resign in good standing by giving written notice to his/her appointing authority at least seven (7) calendar days in advance of the effective date of his/her resignation. Such an employee may, with the approval of his/her appointing authority, withdraw his/her resignation up to ten (10) calendar days after the effective date. Such approval shall not be unreasonably denied. An employee who fails to give written notice to his/her appointing authority at least seven (7) calendar days in advance of the effective date of his/her resignation may not withdraw that resignation.

## **ARTICLE 71. WORK CLOTHING**

1. The State shall continue to furnish foul weather gear and work clothing, such as aprons, smocks, shop coats, lab coats, coveralls, and boots to employees furnished such clothing in the past. The State shall be responsible for continuing to provide laundering of work clothing where such service is being provided as of the effective date of this Agreement.

2. Multilith operators, and other employees who operate printing presses, shall be provided smocks or other similar clothing of a kind to adequately protect their clothing.

3. Ferry Service employees shall be provided with one-piece hooded slickers.

4. The State shall provide one (1) poncho for each gatehouse, one (1) rainsuit to each Ranger and two (2) ponchos for Maintenance Mechanics working at Baxter State Park.

5. As requested and needed, but not more often than once every two years, the State shall provide one pair of leather puncture-resistant Kevlar or spectra gloves or similar material to employees required to conduct institutional searches.

## **ARTICLE 72. WORK RULES**

The State may change or adopt work rules during the term of this Agreement but such changed or adopted work rules shall not be inconsistent with the terms and provisions of this Agreement. Whenever such work rules are to be changed or adopted, they shall be posted on bulletin boards in the appropriate organizational units for seven (7) days before they are to become effective. Simultaneously with such posting a copy of same shall be forwarded to MSEA-SEIU. Upon request by MSEA-SEIU the State will meet and consult with MSEA-SEIU on the proposed changed or new rules.

## **ARTICLE 73. WORK STOPPAGE AND SLOWDOWN**

Employees within the bargaining unit, MSEA-SEIU and its officers at all levels, agree that they will not instigate, promote, sponsor, condone or engage in any work stoppage, sympathy work stoppage or slowdown.

"Work stoppage" means a concerted failure by employees to report for duty, a concerted absence of employees from work, a concerted stoppage of work or a concerted slowdown in the full and faithful performance of duties by a group of employees.

The officers of MSEA-SEIU, at all levels individually and collectively, agree that it is their continuing obligation and responsibility to maintain compliance with this Article, including the remaining at work during any interruption or slowdown of work which may take place.

## **ARTICLE 74. WORKERS' COMPENSATION**

The State shall make every possible effort to promptly pay all compensation awards in accordance with the decisions of the Workers' Compensation Commission. Upon each award of the Workers' Compensation Commission, interest shall be assessed from the date on which the petition is filed at a rate of six percent (6%) per year, provided that if the prevailing party at any time requests and obtains a continuance for a period in excess of thirty (30) days interest will be suspended for the duration of the continuance. From and after the date of the decree, interest shall be allowed at the rate of ten percent (10%) per year.

Where an employee has been unable to work for one (1) year, the employee may be terminated from his or her position. Such termination shall not be considered disciplinary in any way. If the employee later becomes capable of

performing the job duties of the position from which he/she was terminated, the employee may return to that position if it is vacant. If that position is filled, unfunded, or no longer exists, then the employee shall be entitled to be placed in a vacant position, or the next available position if no such vacancy exists in the same classification within the department or agency and for which the employee is qualified, and shall be treated as if on layoff status.

Prior to possible termination after one (1) year on compensation, an employee will receive at least a ninety (90) day notification of the termination process and, at the same time, will be requested to provide an updated, current medical report which assesses his/her ability or tolerance to return to his/her last position. Should the medical report indicate potential fitness to return to work in the position formerly held within six (6) months of the employee's one (1) year date on workers' compensation, the termination date will be projected ahead to the specified date in the medical report, but in no case, for a period of more than six (6) months on a "one time only basis". The termination date will then become the date established beyond the one (1) year anniversary and will become the automatic date of termination unless the employee returns to work able to perform the duties of the job. However, reasonable accommodations will be made for employees who are disabled.

If an employee who is terminated pursuant to this Article is eligible for and makes application for disability retirement, the State shall continue to provide the employee's group health insurance and shall continue to pay the cost of the employee's coverage, as well as sixty percent (60%) of the dependent coverage, until the employee receives his/her first disability retirement check or until six (6) months after the termination, whichever occurs first.

In the event that any employee who has been terminated pursuant to this Article regains a work capacity and returns to work, the employee shall not lose the benefit of any prior years of State service immediately preceding his/her termination, for purposes of seniority, vacation accrual rate, restoration of sick leave credits, and longevity pay.

## **ARTICLE 75. TERM OF AGREEMENT**

This Agreement shall be effective from July 2, 2013 through June 30, 2015, unless otherwise specifically provided herein. Either party shall give sixty (60) days' written notice of a desire to negotiate a new collective bargaining agreement or to modify this Agreement.

Provided, however, that the terms and conditions of this Agreement shall remain in full force and effect after the expiration date of this Agreement and during the period of collective bargaining negotiations for a new Agreement, until such time as a new Agreement is arrived at, except that if either party

desires to terminate the Agreement after the Agreement's expiration date, it may provide written notice to the other party following the expiration date and not less than ninety (90) days prior to the desired termination date.

In lieu of compensating time, an employee may, upon mutual agreement, receive pay at the rate of one and one-half (1½) times the base hourly rate of pay for such overtime hours.

Overtime assignments shall be equally distributed. Work in progress, when appropriate, shall be completed by the employee performing the work.

## MEMORANDUM OF AGREEMENT

The State of Maine, Office of Employee Relations and the Department of Transportation (MDOT) and the Maine State Employees Association (MSEA-SEIU), the parties agree as follows:

This agreement pertains to employees within the Bureau of Maintenance and Operations who are assigned to the Operations, Maintenance, and Support Services Bargaining Unit and the Supervisory Services Bargaining Unit and who operate and maintain vehicles and equipment used for snow/ice plowing and removal operations during the MDOT designated winter season.

Such employees who work overtime during the MDOT winter seasons and who choose to utilize any approved paid leave time in accordance with the respective provisions of this Agreement, will have such time, up to a maximum of eight (8) hours on one regularly scheduled work day, counted as time worked for the purpose of computing overtime pay for that week. However, this provision shall not preclude the department from utilizing any existing policies, or establishing new policies or work rules pursuant to Article 72 of the Operations, Maintenance and Support Services agreement and Article 72 of the Supervisory Support Services agreement, regarding the safety and health of employees during winter operations.

## **I. STATEMENT OF PURPOSE**

The undersigned parties to this Memorandum of Agreement agree that this Agreement shall pertain only to the Military Firefighters, Military Firefighter Supervisors, and the Assistant Military Fire Chiefs in the Department of Defense, Veterans and Emergency Management (DVEM).

The parties to this Agreement mutually agree to the following modifications of practice, and amendments, and exceptions to certain provisions of the Operations, Maintenance and Support Services (OMS) Bargaining Unit contract and Supervisory Services (SSU) Bargaining Unit contract.

All issues not specifically addressed in this Agreement shall continue as provided in the current bargaining unit agreements.

## **II. WORK SCHEDULE**

The work schedule for Military Firefighters, Military Firefighter Supervisors, and Assistant Military Fire Chiefs will consist of a twenty-four (24) hour period on-duty, with a forty-eight (48) hour period off-duty.

This will be accomplished by a work force comprised of three (3) crews (A, B, C shift), with each shift on-duty for 24 hours and off-duty for 48 hours.

## **III. CONTRACT PROVISIONS**

The parties agree that the following contract provisions of the 2005-2007 and successor OMS bargaining unit agreement shall not apply to the Military Firefighters.

### **A. ARTICLE 10 - COMPENSATION**

SECTION D - OVERTIME  
SECTION E - SHIFT DIFFERENTIALS  
SECTION F - DOUBLE SHIFT PREMIUM  
SECTION G - DIVERS STIPEND  
SECTION I - WEEKEND DIFFERENTIAL  
SECTION J - DIRECT CARE  
SECTION K - CLIMBING STIPEND

### **B. ARTICLE 33 - HOLIDAYS**

### **C. ARTICLE 44 - OVERTIME ASSIGNMENTS**

Additionally, the parties agree that the following contract provisions of the 2005-2007 and successor SSU bargaining unit agreement shall not apply to the Military Firefighter Supervisors and Assistant Military Fire Chiefs.

**A. ARTICLE 10 - COMPENSATION**

SECTION C - NON-STANDARD WORKWEEK  
SECTION E - OVERTIME  
SECTION F - SHIFT DIFFERENTIALS  
SECTION G - DOUBLE SHIFT PREMIUM  
SECTION H - STANDBY  
SECTION I - MEDICATION ADMINISTRATION  
SECTION J - DIVERS STIPEND  
SECTION L - WEEKEND DIFFERENTIAL  
SECTION M - DIRECT CARE  
SECTION N - CLIMBING STIPEND

**IV. COMPENSATION**

The parties agree that the Military Firefighters, Military Firefighter Supervisors and Assistant Military Fire Chiefs shall be compensated consistent with the appropriate Salary Schedule in effect.

BASE PAY: Payments shall be based on 216 hours in a twenty-eight (28) day cycle of which there are two pay periods. Each of the pay periods (minimum) shall be as follows:

Pay Period #1	14 Days	106 hrs
Pay Period #2	14 Days	106 hrs + 4 hrs O.T.

This is to comply with the tenets of the Fair Labor Standards Act (FLSA), whereby hours actually worked exceeding 212 hours in a twenty-eight day work cycle will be paid at one and one-half (1½) times the employee's regular rate of pay or at the "premium rate" on the Salary Schedule.

The parties agree that Vacation (Annual Leave), Sick Leave, Bereavement Leave, Compensating Time, and Military Leave shall be considered as actual time worked in the accounting of hours actually worked towards the accrual of 212 hours in a twenty-eight (28) day work cycle.

**V. OVERTIME**

Hours actually worked exceeding 212 hours will be paid at either the straight overtime rate of pay or at the premium overtime (time and one half) rate of pay; whichever is appropriate. Vacation (annual leave), sick leave, administrative leave, bereavement leave, and military leave shall be considered as time actually worked for the purpose of computing premium overtime. In lieu of premium overtime pay, employees may, upon mutual agreement, earn compensating time at the rate of one and one half (1 ½) hours of compensating time for each hour of premium overtime. Compensating time off will not count towards computing premium overtime—only straight overtime pay.

## **VI. OVERTIME SCHEDULING**

In situations (other than emergency conditions) which result in overtime assignments of off-shift personnel, every attempt shall be made to equalize such overtime work requirements among all employees. Overtime hours worked during an emergency will be included when equalizing overtime.

Off-shift overtime assignments will not be counted toward the accrual of 212 hours in the twenty-eight day work cycle. Off-shift overtime hours performed will either be paid as premium overtime or earned as compensating time as agreed to by both parties.

## **VII. CALL-BACK LIST - OVERTIME**

The parties agree that a list is to be kept showing the current status of each employee's overtime accrued.

When call-back is necessary, it shall be done in the following order:

- A.** Individuals scheduled for "Kelly" days, regardless of classification, will be given priority (top of list) based on seniority unless operational need dictates otherwise (i.e. a supervisor is needed)
- B.** If no one is on Kelly day, overtime is offered to the appropriate classification by seniority with the following guidelines:
  - 1.** If a need for overtime is known prior to 1930, it will be offered to the off-going shift first.
  - 2.** If a need for overtime is known after 1930, it will be offered to the on-coming shift first.
  - 3.** If overtime is not being effectively equalized using guidelines 1 and 2 above, it will be offered in the most appropriate manner to equalize the overtime.
- C.** If no one in the classification is able to work the overtime, other classifications will be called in order of seniority.
- D.** If individuals are equal in seniority, proceed alphabetically.
- E.** Implementation to run until the list is exhausted - then to start over.

- F.** If no contact is made with an individual, there will be no loss in position on the list (no penalty).
- G.** If there is a refusal by an individual, they will be placed at the bottom of the list.
- H.** Call-backs for scheduled military flights between the hours of 2330 and 0600 shall begin no later than 2330.

### **VIII. COMPENSATING TIME**

The parties agree to follow Article 9. Compensating Time as currently stated in the Supervisory Services Bargaining Unit and Operations, Maintenance and Support Services Bargaining Unit contracts.

### **IX. VACATION (ANNUAL LEAVE) AND SICK TIME ACCRUAL**

Each Military Firefighter, Military Firefighter Supervisor, and Assistant Military Fire Chief shall earn vacation (annual leave) and sick leave on the following basis:

- A.** 5.4 hours per each completed 2 week pay period of service up to five (5) years;
- B.** 6.3 hours per each completed 2 week pay period of service from five (5) up to ten (10) years;
- C.** 7.2 hours per each completed 2 week pay period of service from ten (10) up to fifteen (15) years;
- D.** 8.1 hours per each completed 2 week pay period of service from fifteen (15) up to twenty (20) years;
- E.** 9.0 hours per each completed 2 week pay period of service after twenty (20) years;

The maximum accrual of vacation (annual leave) is two hundred and eighty (280) hours for employees with less than fifteen (15) years of continuous State service and three hundred and twenty (320) hours for employees with fifteen (15) or more years of continuous State service. Employees will automatically lose any time above this maximum accrual. Employees shall be paid up to the maximum accrual rate (280 or 320 hours) upon separation. However, a maximum of two hundred eighty (280) hours pay on unused vacation shall be credited toward an employee's average final compensation upon retirement.

Employees may accumulate unused sick leave up to a maximum of one thousand forty (1040) hours. When the maximum limitation has been accumulated, hours that would normally thereafter be earned shall lapse, but shall be recorded by the Department. Any employee who has such lapsed sick leave to his/her credit may apply to the Director of Human Resources to have the sick leave restored in the event of an extended illness consistent with the bargaining unit agreements.

At retirement, termination, or discharge, the vacation (annual leave) accrued shall be paid to balance out the account, whether in a positive or negative balance.

If an employee has a zero balance of vacation or sick leave, after a negative balance of twenty-four (24) hours, in either case, the time shall be deducted from the individual's payment as agreed to by both parties.

In extreme cases, the Base Fire Chief may approve up to 24 hours in the negative balance to avoid pay deductions.

The parties agree to the following amendment to Article 64. Sick Leave (OMS) and Article 64. Sick Leave (SSU) as follows:

"2. ... a medical examination or doctor's certificate will be required on account of use of sick leave for three (3) or more consecutive (24 hour) work shifts ...."

## **X. KELLY DAY**

A "Kelly" Day is a twenty-four hour day. A minimum of four (4) and a maximum of five (5) Kelly Days will be given to each individual per calendar year depending on the manner in which the shift schedules fall.

The Kelly day is to be used during a twenty-eight (28) day period comprising 240 hours.

The Kelly day is not counted as an actual day worked for FLSA requirements. It is a 24 hour day off-duty.

## **XI. SHIFT SCHEDULE**

All personnel will be placed into the shift schedules based on the 24 hours on-duty and 48 hours off-duty schedule.

## **XII. BEREAVEMENT LEAVE**

The parties agree that each employee shall be allowed up to two (2) shifts leave, with full pay and benefits as an amendment to Article 5. Bereavement Leave (OMS); and to Article 5. Bereavement Leave (SSU), wherein each shift is a 24 hour period of scheduled duty.

### **XIII. OVERPAYMENT**

The parties agree that the following procedures are to be implemented in the event of overpayments:

- A.** The individual(s) is to be notified by the Department in writing, with the specifics.
- B.** The individual(s) is to be given options on the method of resolution: (i.e. Payroll deduction, lump sum payment/reimbursement).

### **XIV. ALTERNATE SCHEDULES**

The parties agree to amend ARTICLE 38. HOURS AND WORK SCHEDULES (OMS) and ARTICLE 38. HOURS AND WORK SCHEDULES (SSU). Except in the case of emergencies, there will be at least a 28-day notice of an involuntary temporary alternate work schedule. The hours of an alternate work schedule will be defined as agreed to locally so the individual is covered under liability, etc. [i.e. School course has an eight (8) hour day versus the normally scheduled twenty-four (24) hour shift]. No employee should lose any wages from this organization for attending functions supporting the organization or their job.

### **XV. SWAP TIME**

The parties agree to Swap Time being allowed with a minimum of four (4) hour increments. In no case shall the swaps be conducted back to back causing an individual to work forty-eight (48) hours straight. Employees having accumulated 280 hours of vacation (annual leave), must use the leave rather than the swap time arrangement.

The individual assigned to the shift is responsible and pay will be docked or deducted accordingly if there is no show by either the scheduled employee or swap time individual.

The Assistant Military Fire Chiefs from both affected shifts shall approve (or not approve) the swap time with no less than one week's notice. Swap time may not be allowed if it interferes with or results in a loss of training.

The swaps must be based on job classification from one crew to another.

### **XVI. FAMILY TIME**

The parties agree to a family visitation time limit of thirty (30) minutes during the time period of (0730 - 1600 hours). A one-hour or more family visit may be authorized during other than this time period, but must not interfere with training or duties.

## **XVII. LABOR-MANAGEMENT COMMITTEE**

The parties agree that the previously established Labor-Management Committee can meet quarterly or as needed to work towards agreement on any and all issues affecting the program.

The Base Fire Chief will provide file space for the Union Chapter.

## **XVIII. GRIEVANCE HANDLING**

In order to most effectively address grievances, Step 1 grievances shall be reported to the Fire Chief. In the absence of the Fire Chief, the Step 1 grievance shall be reported to the Assistant Military Fire Chief designated to cover for the Fire Chief. Step 2 grievances shall be filed to the Base Fire Marshall. Step 2aii grievances are filed to the Commissioner.

## **XIX. MILITARY MEMBERSHIP**

No military firefighting personnel, including supervisors, subject to any collective bargaining agreement between the State of Maine and the MSEA, may be required to belong to the armed forces, as a member of the Air National Guard or in any other capacity, as a condition of employment, except as provided herein.

Current or future military firefighting personnel, employed in the job classifications of Military Firefighter, Military Firefighter Supervisor, Assistant Military Fire Chief, and Military Staff Specialist, will be required to complete one six year enlistment with the military either before or during their first years of employment. Employees will be required to achieve a 5 level state of proficiency in the AFSC 3E751 specialty. Any employee who fails to complete these conditions of employment may be discharged from his or her position.

Employees will be required to maintain certification of NGR 5-1, Section 36-8, a. (1) (a) dated April 3, 2008.

## **XX. PHYSICAL FITNESS AND MEDICAL STANDARDS.**

The parties wish to ensure that military firefighting personnel are able to perform their duties safely, both to themselves and others. The parties further recognize that physical ability and medical conditions vary with age, gender, and medical history, and that any employment decisions relating to an individual's ability or condition must not discriminate against qualified individuals who can safely perform the essential functions of the job. Guided by those principles, the parties agree to meet monthly, through appropriate labor management committee(s), until a physical fitness or wellness program for these employees is developed and adopted. The program shall include scheduled annual evaluations conducted by the current State of Maine

contracted physician to determine physical and medical ability to perform the essential duties of the position. In addition, the employer may order an employee to submit to such tests if it has probable cause to believe the employee cannot safely perform the duties of the position.

**A. Medical evaluations**

Any medical evaluation shall be conducted by a medical professional. Under no circumstances shall any employee be tested for, or required to disclose medical information relating to, any condition not reasonably related to the performance of his or her duties. The results of any medical testing shall remain confidential, and shall not be disclosed to the employer, except that the examining professional shall inform the employer of any condition that might reasonably impair the employee's ability to perform the job safely, either to himself or to others.

**B. Physical Fitness evaluations**

Physical fitness evaluations may be used to assess employees' ability to perform their duties safely and completely. The evaluations shall be conducted by the appropriate professional, and shall be designed to assess the employee's fitness to perform the essential functions of the position. Testing procedures may be modified to accommodate individual needs, so long as the resulting information is adequate to serve the purposes of this section.

If the evaluator concludes that corrective action is warranted, he or she shall develop appropriate written recommendations. The recommendations shall be provided to the employee, and will be shared with the employer, but shall otherwise remain confidential.

**C. Employment Action**

No adverse employment action may be taken against the employee on the basis of any medical or physical condition, including a failure to meet any physical or medical standard or similar deficiency identified through the testing and valuation procedures described above, unless such condition significantly impairs the employee's ability to safely perform the essential duties of the position in light of his or her age or gender, and consistent with the Americans with Disabilities Act.

In the event an evaluating professional identifies a condition that might reasonably interfere with the employee's ability to safely perform the essential duties of the position, the employee and the employer shall be so informed. The evaluating professional will provide written recommendations concerning appropriate employment actions. The employee shall have the opportunity to secure a second

opinion, from an appropriate professional of the employee's choosing. If the second option is inconsistent with the first, the parties may settle the dispute for final decision to an arbitrator selected by the parties, with expenses shared by the union and the state.

#### **XXI. DRUG TESTING**

The department may test employees for drug use subject to the same procedures, terms and conditions as those currently adopted by the Department of Transportation governing its highway workers.

#### **XXII. SECURITY CLEARANCE**

The parties agree that staff will be required to achieve and maintain a security clearance appropriate to the duties of the position, issued the U.S. Air Force and the Federal Aviation Administration.

#### **XXIII. COMMERCIAL DRIVERS' LICENSE**

In the event the Department adopts a requirement that employees maintain commercial drivers' license, no current military firefighting personnel subject to any collective bargaining agreement shall be terminated for failing to achieve such license for any physical condition beyond their control, unless required by law.

If the Department adopts such a requirement, the Department shall reimburse all employees who do hold a commercial drivers' license for the biannual medical certificate.

#### **XXIV. RESOLUTION OF DISPUTES AND ENFORCEMENT**

Any dispute over the interpretation of this agreement may be resolved through the grievance and arbitration procedures contained in the collective bargaining agreement covering the employee(s) affected by the alleged violation.

#### **XXV. RESERVATION OF RIGHTS**

Nothing in this agreement shall be construed to waive any provision of the collective bargaining agreement except as specifically provided herein. Nor shall this agreement be construed to waive any statutory right that might have been asserted by any employee, with or without assistance from MSEA, against the state or any of its subdivisions, officers, agents, or employees.

#### **XXVI. SAFETY MEETINGS**

Required safety meetings shall be held at least once every six (6) months.

**XXVII. TERM OF THE AGREEMENT**
