

Adobe® Connect™

Improve collaboration, complete work faster, and drive better results

“Adobe Connect is the standard for web conferencing at the Federal Highway Administration.”

La Tricia E. Austin-Downer,
customer support specialist,
ADNET Systems, Inc., in support of
Federal Highway Administration

“We are continually expanding our use of Adobe Connect. The easy-to-use interface lets new users get productive in Adobe Connect faster, while enabling our most experienced users to do even more in their web conferences.”

Denise Fleming Public Health
Emergency Preparedness (PHEP)
Program Assistant, Office of
Public Health Preparedness (OPHP),

Health (MDCH)

Now more than ever, people need the ability to collaborate effectively with colleagues, partners, and customers—around the world and across technical boundaries. More and more organizations, including large enterprises and government agencies, are using Adobe Connect to improve collaboration and get work done faster. Adobe Connect is a market-leading web conferencing solution that enables a variety of uses, ranging from web meetings to eLearning to webinars.

There's no other web conferencing solution like it. With Adobe Connect, you can captivate your audience with rich, engaging, and interactive experiences and make them available to virtually anyone, anywhere, on almost any device, with just a click of a button. Adobe Connect is based on Adobe Flash® technology and Adobe Flash Player software is already installed on virtually all Internet-connected computers. So, unlike competitive offerings, Adobe Connect allows invitees to easily attend your meetings without the need for additional downloads.
