DATE: January 31, 2014

TO: Department and Agency Financial Officers

FROM: Douglas E. Cotnoir, State Controller

CC: H. Sawin Millett, Jr., Commissioner
Terry Brann, Deputy Commissioner

The American Recovery and Reinvestment Act of 2009 (ARRA), Section 1512, mandated that recipients of ARRA contract, grant, and loan awards report quarterly on the status of those awards. However, the January 17th enactment of the Federal Government's Fiscal Year '14 Omnibus Spending Bill brings an end to Section 1512 reporting as of February 1, 2014, making Quarter 4, 2013 the last time recipients will report on the status of their awards.

Quarter 4, 2013 data was posted to Recovery.gov on January 30, 2014. The Recovery Accountability and Transparency Board is working in collaboration with the Office of Management and Budget to develop a process for recipients and agencies to review reports and make final corrections after February 1, 2014.

The end of 1512 reporting means that you will no longer enter information into the State's ARRA Recovery System; and, the Office of the State Controller will no longer submit quarterly 1512 reports to the FederalReporting.gov website. If revisions to your Quarter 4, 2013 1512 report(s) are necessary, the Office of the State Controller will contact you and re-submit the reports.
