Re: Termination of July 2010 Consent Agreement

Dear Doctor Perakis:

At its meeting this past Thursday, the Board reviewed, as it does on a monthly basis, the compliance of those physicians currently under Agreement.

Following their review, the Board voted unanimously to terminate your July 2010 Consent Agreement and Board Order.

This will confirm that, **effective Thursday, April 9, 2015**, you are no longer required to provide reports to the Board or to have reports submitted to this office on your behalf by your treatment providers or your case manager.

On behalf of the Board members and staff, thank you for your compliance with the requirements of your Agreement and most important of all, the hard work you've done throughout the recovery process. We all wish you the very best.

Please let me know if I can be of any assistance to you in the future.

Sincerely,

Susan E. Strout
