DATE AND PLACE OF PUBLIC HEARING: October 1, 2012, 1:30 p.m., Department of Professional and Financial Regulation, 76 Northern Avenue, Gardiner, Maine

COMMENT DEADLINE: October 11, 2012

PRINCIPAL REASON OR PURPOSE FOR PROPOSING THIS RULE: Financial projections showed that overall reductions in license fees were feasible for the following programs:

- State Board of Alcohol and Drug Counselors
- Board of Licensure for Architects, Landscape Architects and Interior Designers
- Board of Chiropractic Licensure
- Maine Board of Pharmacy
- Board of Examiners in Physical Therapy
- State Board of Examiners of Psychologists
- Board of Real Estate Appraisers
- Regulation of Transient Sales
- State Board of Veterinary Medicine

The proposed rule also implements PL 2011, c. 650, sec. 2, which requires OPOR to exempt electricians' helpers who are high school or community college students from the helper license fee.

BRIEF SUMMARY OF RELEVANT INFORMATION CONSIDERED DURING DEVELOPMENT OF THE RULE (PRIMARY SOURCES): Budgetary needs of the licensing programs identified above; professional judgment.

ANALYSIS AND EXPECTED OPERATION OF THE RULE: The Office of Professional and Occupational Regulation (“OPOR”) proposes to: (1) eliminate or reduce application fees for alcohol and drug counselors, alcohol and drug counseling aides, architects, landscape architects, certified interior designers, chiropractors, pharmacists applying for a certificate of administration, physical therapists, physical therapist assistants, psychologists, psychological examiners, real estate appraisers, transient sellers of consumer merchandise and their employees and veterinarians; (2) reduce license fees for alcohol and drug counselors, alcohol and drug counseling aides, certified clinical supervisors, architects, landscape architects, certified interior designers, chiropractors, chiropractic assistants, pharmacists, pharmacy technicians, pharmacy student interns, physical therapists, physical therapist assistants, psychologists, psychological examiners, real estate appraisers, transient sellers of consumer merchandise and their employees and transient sellers of home repair services; (3) reduce examination qualification review fees for pharmacists, psychologists and psychological examiners; (4) clarify that all newly-licensed pharmacists, not only pharmacists licensed via reciprocity, are subject to an initial license fee; (5) clarify that pharmacists in charge are subject to an initial license fee; (6) change the method of calculating the fee for late renewal of an inactive pharmacist license; (7) change the method of calculating the fee on inactive pharmacists who move back to active status; (8) reduce the fee for approval of real estate appraiser continuing education programs and approval of continuing education program requests submitted by individual chiropractors; (9) add a \$10 license fee for barbering and cosmetology trainees which was accidentally eliminated by the most recent amendment to this chapter; (10) exempt electricians’ helpers who are high school or community college students from the helper license fee; and (11) make non-substantive text changes to various fee descriptions and program headings.

NOTE: In the most recent prior rulemaking proceeding to amend this chapter, OPOR proposed to reduce the license fee for barbering and cosmetology trainees from \$25 to \$10. The notice of hearing, however, erroneously stated that trainee license fees were to be eliminated. In the adopted rule OPOR eliminated the trainee license fees so as to be consistent with the notice. In this rulemaking proceeding, OPOR proposes to correct this error by reinstating the trainee license fee at the reduced \$10 level.

FINDINGS UNDER CRITERIA CONTAINED IN EXECUTIVE ORDER 20 FY 11/12:

(A) The proposed rule will not negatively impact job growth or creation; (B) There are fees included in the rule; (C) There is no cost to the public in terms of time and money required to comply with the rule; (D) No other state laws or rules already address the subject matter of this rule; (E) There are no relevant federal standards.
