

Instructions to Acquire a Permit Number Online

Web site: www.maine.gov/professionallicensing

- **USER TOOLS:**
 - Click - Find a licensee or a list of licensees
- Click - **START SEARCH**
- Click – Search for an Individual
- In the “License Number” field, type in the license number of the master or limited electrician that pulled the permit. (The license number includes the prefix (MS or LM) followed by the license number) OR
 - In the “Regulatory Field”, select Electricians
 - Then type in the Licensee’s name in the appropriate field.
- Click – SEARCH
- Click on the name of the Licensee
- Under the Worksite Permit portion on the page is a list of permits issued which includes the Issue Date and Permit Number.

IMPORTANT INFORMATION: As soon as the permit number is issued by the office, the permit number is displayed.
