**TAX CREDIT WORKSHEET INSTRUCTIONS**

An income tax credit is available for investments in, or contributions to, public fishery infrastructure projects. The credit is equal to 50% of the eligible investment or contribution, as certified by the Department of Inland Fisheries and Wildlife, and must be taken in equal installments over four years. The investment/contribution limit per project is \$5,000,000. The credit is limited to 50% of the tax liability for the taxable year immediately preceding the year during which the taxpayer applies for the credit. Any unused portion of the credit due to this limitation may be carried forward for up to 15 years. The credit is subject to recapture and is prohibited if the taxpayer claims a federal income tax deduction for the investment or contribution. Effective June 20, 2011.

In the case of pass-through entities (such as partnerships, LLCs, S corporations, trusts), the partners, members, shareholders, beneficiaries or other owners are allowed a credit in proportion to their respective interests in these entities.

**SPECIFIC LINE INSTRUCTIONS**

Enter the taxpayer name and employer identification number ("EIN") or social security number ("SSN").

Line 1. Enter the amount from the tax credit certificate issued to you by the Department of Inland Fisheries and Wildlife during the tax year beginning in 2012. This amount should be 50% of the eligible investment. If you are a member of a pass-through entity, enter your share of the tax credit certificate reported to you by the entity.
