Frequently Asked Questions

HOW DO I FILE TAX RETURNS?

Withholding, sales/use and service provider tax returns are generally required to be filed electronically using one of the Maine Revenue Services ("MRS") electronic filing systems. Taxpayer’s unable to meet the electronic filing requirement because of undue hardship may request a waiver from the State Tax Assessor. For more information on electronic filing mandates, see MRS Rule 104 at www.maine.gov/revenue/rules. Electronic filing systems can be accessed on the MRS web site at www.maine.gov/revenue. Select "Electronic Services" and then select the electronic filing system you wish to use - either “Sales/Use I-File,” “Service Provider I-File,” “Internet File” or “Maine Employers Electronic Tax Reporting System” (“MEETRS”). All of these systems allow you to complete tax returns online without needing specialized software. There is no cost for using these systems and all provide confirmation that your return was received. MEETRS uses specially formatted files containing withholding tax data that is uploaded via the MRS web site. For more information, see the instructions to Form 941ME. Contact the appropriate tax unit if you are unable to file electronically. See page 2 for contact information.

WHAT SHOULD I DO IF I CANNOT PAY THE TAX I OWE?

If you cannot pay your entire tax liability, pay as much as you can and contact the MRS Compliance Division for withholding, sales, service provider, motor fuel, and special business taxes. See page 2 for telephone numbers. Tax returns should be filed on or before the due date to avoid penalty charges for late filing.

INTEREST

Interest is charged monthly on taxes owed to MRS until the entire amount of tax due has been paid.

PENALTIES

MRS may impose several different penalties. Two common penalties are:

- **Failure to File Penalty.** Failure to file penalties are computed on any return that is filed after its due date.
- **Failure to Pay Penalty.** Failure to pay penalties are imposed on tax that remains unpaid after the due date.

Where both failure to file and failure to pay exist, both penalties will be imposed.

An explanation of interest and penalty charges is available from Maine Revenue Services.

MAINE REVENUE SERVICES TAXPAYER PRIVACY POLICY

MRS maintains the highest standards in handling personally identifiable taxpayer information. Taxpayers have the right to know what information is kept on file about them, to have reasonable access to it, and to receive a copy of their file. Under penalties of law, employees and agents of MRS are prohibited from willfully inspecting information contained on any tax return for any purpose other than in the conduct of official duties. In addition, MRS employees and agents are prohibited from disclosing tax information to anyone other than the taxpayer except in a limited number of very specific circumstances. **Unassociated third parties may not receive information pertaining to tax returns without written permission from the affected taxpayer except as allowed under law.** Communications that do not meet the definition of tax information are subject to the general confidentiality and public inspection provisions of Maine’s “Freedom of Access” laws. When confidential taxpayer information is stored by MRS, it is kept in a secure location where it is accessible only to authorized employees and agents of MRS. If you have any questions regarding the Privacy Policy, please contact MRS at (207) 626-8475.

NOTICE REGARDING UNPAID TRUST FUND TAXES

Trust fund taxes include sales & use taxes, gasoline tax, special fuels tax, recycling assistance fees and income tax withholding.

Under Maine law, the owner(s) and person(s) who control the finances of a business may be liable for any unpaid trust fund taxes. The purchaser of a business or the stockholders of a business are required to withhold from the purchase price the amount of trust fund taxes, interest and penalties owed by the previous owner. A purchaser who fails to withhold these debts can be held liable for the payment of these taxes, interest and penalties. 36 M.R.S. § 177(1).

If you are not sure that the previous owner has paid all trust fund taxes incurred by the business, you should ask the previous owner to request, in writing, tax clearance letters from the Compliance Division of Maine Revenue Services.

If you owe Maine taxes, or if the previous owner of your business has not paid all trust fund taxes, processing of your tax registration application may be delayed or denied.

1. Enter the legal name of the business or organization. Examples are the sole proprietor’s name, the partnership name, or the exact name from the Articles of Incorporation. Individuals and certain estates must provide their social security numbers. All other applicants must provide a federal Employer Identification Number (EIN).

A federal EIN must be provided to register for Maine Income Tax Withholding. To obtain a federal EIN, go to www.irs.gov to apply online or download IRS Form SS-4, Application for Employer Identification Number. To contact the IRS by phone, call 1-800-829-4933.

Enter the business mailing address, phone number and street address. Attach separate applications if you have more than one business location and are registering for sales and use tax (Section 4).

Enter the physical location of the business operation or the address of rental property.

2. Check the box that best applies. If you checked “Other,” include a description of the ownership type. Spouses must not check “Partnership” unless the business files federal income tax returns (IRS Form 1065) as a partnership. Corporations, limited partnerships and limited liability companies must provide incorporation or registration information.

3. Enter the type of business (wholesale, retail, service group, manufacturing, contractor, governmental, nonprofit, marketplace facilitator, other [explain]), and a concise description of the principal activity of your business or organization.

4. Corporations, partnerships, associations, nonprofit organizations and others must provide the names of two directors, officers, trustees, personal representatives, partners, members or responsible parties. One of those named must be the person responsible for the finances of the company or organization. Social security numbers are required. A list of all partners or officers is not required.

5. Provide the names, EINs and addresses of other businesses you own/the entity owns. Attach additional sheets if more space is needed.

6. Indicate how your business was acquired. If you are establishing a new business with no previous owner, check the new start-up box. If you acquired a business, trade or organization or substantially all the assets of another, who at the time was an employer, you are considered a successor. If you check the “Entity Change” box, provide a brief explanation. Read the Notice Regarding Trust Fund Taxes on page 5.

Generally, a person who maintains an office or transacts business in Maine and who must withhold federal income tax from payments subject to tax in Maine must also withhold Maine income tax. This requirement applies to both resident and nonresident individuals. Payments subject to tax in Maine include unemployment compensation connected with Maine employment. Payments to a nonresident from pensions, annuities and other intangible sources may be subject to withholding of Maine income tax in certain cases.

Persons registering for Maine income tax withholding accounts must provide a federal Employer Identification Number (EIN). See Instructions for Section 1, line 1.

7. Enter the date you began withholding or were required to begin withholding. If not yet operating, enter estimated business start date. See Maine Revenue Services (“MRS”) Rule 803 for details about required withholding tax reports and payments (www.maine.gov/revenue/rules). A quarterly remittance schedule will apply for all first year income tax withholding. If your business is in the second or subsequent year(s) of operation, and the aggregate amount of withholding reported for the prior July-June lookback period was $18,000 or more, you must remit withheld tax on a semi-weekly basis based on payroll/distribution dates. MRS monitors taxpayer compliance for this requirement. The lookback period for each calendar year is the 12-month period ending on the preceding June 30. For example, the lookback period for calendar year 2018 is the period July 1, 2016 through June 30, 2017. If you have any questions about this requirement, contact MRS at (207) 626-8475 (Select option 4).

8. Check this box if you are a common pay agent. Attach a list of the affiliated entities including the name and EIN of each. A common pay agent reports withholding for multiple entities under one EIN. Common pay status is initially obtained through the IRS.

9. Check this box if you are applying to register as a fiscal agent pursuant to 36 M.R.S. §5250(5).

SECTION 10 - ELECTRONIC FUNDS TRANSFER

General Information: Taxpayers with annual combined tax liability of $10,000 or more for the lookback period ending June of the prior calendar year are required to remit tax payments electronically. Payroll processing companies must remit electronically for all clients regardless of whether those individual clients are required to pay electronically. Maine Revenue Services encourages voluntary participation by taxpayers who do not meet the minimum threshold for mandatory participation. More information is provided in Maine Revenue Services Rule 102, Electronic Funds Transfer at http://maine.gov/revenue/rules/homepage.html.

Only applicants who intend to use either the MRS ACH Teledebit telephone payment option or ACH Credit payment method need to complete this section.

55. Please indicate the application type for which you are applying:

ACH Teledebit. A taxpayer may pay taxes using this method by authorizing Maine Revenue Services to electronically transfer tax payments from the taxpayer’s deposit account to the MRS deposit account. The authorization is initiated through a “telephone call” to the MRS electronic withdrawal payment system. The telephone payment system allows taxpayers to arrange for debit payments with effective dates up to 90 days in the future.

ACH Credit. A taxpayer may pay taxes using this method by authorizing their bank to withdraw the tax payment from the taxpayer’s deposit account and transfer it to the state’s account.

56. Provide the applicant’s legal name, business trade name, mailing address, and Employer Identification Number or social security number if ownership is a sole proprietor. Also, provide the name, telephone number, fax number and email address for a contact person who can address questions pertaining to EFT transactions. Please notify the EFT Unit if there is a change to any of this information.

Debit method applications must include your bank’s routing transit number, the type of bank account, and your bank account number. You must include either a voided check or a certifying letter from your bank. Service bureaus or other third parties that remit tax payments from their accounts on behalf of other companies may not use the ACH Teledebit method (see below).

57. Service bureaus, tax preparers or other third parties who remit tax payments for other companies must use the ACH Credit method. If you remit taxes for multiple other companies, only one application needs to be submitted.

58. “Tax Type” refers to the type of tax you want to pay or file electronically. “Tax Account ID Number” refers to the identification number that is required to properly identify your taxable entity. See Tax Type/Tax Account ID Number Table below.

59. The application must be signed by an authorized person. It may be submitted by mail, email or fax. Our standard method for sending instructions is by email.
